Afflicted, Read! WILLIAMS'S COMPOUND SOLUition for the FILES, is warranted to effect a Cure-in every case, and in all stages of the disease, or the money in every case, and in all stages of the disease, or the money for sale by Abel Turroll, Montrose; O. G. Hempstend, Brooklyn: T. J. Babecck, Dimock; Penucl Carpenter, Harford; G.G. Williams, Jackson J. B. Stoeum, Dundan; A. B. Merrill, Hopbottom; A. J. Merrill, Scranton.

This is for evrify, that Mrs. Emory has been afflicted for years just a tift, that distressing complaint known as the 'Plies,' and that having falled is securing relief from various Flywicians, she was induced from reports to try Mr. Williams. 'Plie Solution,' which we obtained at one of his Ascancies in Tunkhannock, Fa. The result has been the those taverable. The trial was made with it last fall, and after using as directed for a few days, what we have good reason to think was a permanent cure was offeeded. Several other cases of a similar nature in this vicinity have used it with life results. With Mr. Williams motto "no cure no pay" every one thus afficied will certainly dowell to try it.

HOLLOWAY'S PILLS

NERVOUS DISORDERS.

WHAT is more fearful than a breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—drink but little wine, beer, or spirits, or far better, none; take no coffee,—weak tea being preferable; get all the fresh air you san; take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these golden rules are followed, you will be happy in mind, strong in body, and orget you have nerves. Mothers & Daughters. If there is one thing more than another for which these Pills are famous, it is their purifying properties, especially their power of cleansing the blood from all impurities, a removing dangerons and suspended secretions. Universally adopted as the grand remody for female complaints they never fail, never weaken the system; and always bring about what is required.

Sick Headache and Want of Appetito. These feelings which so sadden us, most frequently arise from annoyances or trouble, from perspiration, or from enting and drinking what is until for us, thus disordering the stomach and liver. Albess organs must be regulated if you wish to be well. The Pills, if taken according to the printed instructions, will quickly restows a healthy stion to both liver and itomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

Reliable Testimony.

We call the attention of the reader to the following letter from President Smith, formerly of Wesleyon University, and now of Annapolis, Md.

MIDDLETOWS, Coan., Feb. 28, 1859. SETH W. POWER & Co. - Sentlemen : - I first made use of the Orygenaled Bitters some seven or eight years since. Having suffered for twenty years from a form-of-dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending recodificultion of Dr. Green, " to try one bottle, and if no benefit was received to discontinue the use." The use of one bottle warranted a further trial, to the

extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an enfire change in the habits of my system, and upon the active energies of the digestive official. I now door myself as exempt from Dyspensia. as most persons. These Birrets have also been of ser vice to other members of my family. Very respectfully yours,
REGUSTUS W. SMITIL

Richmond, Tioga Co., Pa., Aug. 25, 1858. GREELENEN, - After suffering for more than thirty geers with Dyspesie, and trying many remedies recommended for that disease without any good result, I was induced; by Dr. P. H. White of Manafield, to give the Oxygenhled Bitters a trial. I took two bottles, which gave me so much relief that I putchased two more, which have nearly or quite effected a cure. I am now nearly seventy-five years of age, and for three months past have felt no inconvenience from my fond. I take great pleasure in recommending the Bitters to all afflicted with Dyspepsia and its concomitant diseases. A. HEBARD

MARSTIELD, Tioga Co., Pa., Aug. 96, 1858. I have used the Oxygenated Buters in my practice with decided success in debility and general prostration, &c., and confidently recommend them in general de-bility, and disease of the digestive organs. F. IL WHITE, M.D.
