This is to certify, that Mrs. Emory has been afflicted for years past with that distressing complaint known as the "Files," and that having falled in securing relief from various Physicians, et as was induced from reports to try Mr. Williams "File Solution," which we obtained at one of his Agencies in Tunkhannock, Pa. The result has been the most favorable. The trial was made with it last fall, and after using as directed for a fewdays, what we have good reason to think was a permanent cure was effected. Several other cases of a similar nature in this vicinity have used it with like results. With Mr. Williams motto "ne cure no pay" every one thus afflicted will certainly dowell to try it.
