HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a repu-States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffer. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a halfmillion bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

3 This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is

estimation of an invaluable medicine, which is destined to be as enduring as time itself. Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of un-alloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon

for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the criand rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all defererious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and ability is no shorphingly tender; that the and child is so absorbingly tender; that the mother, especially if, she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity. arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase

of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterof bodily strength. using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Bromach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the

label.

SIR: I have used-your Pills in my general and hospital practice ever since you made them, and do not he-state to say they are the best cathartie we cuploy. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billoos discusses on obstante that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Hospital.

THE OXYGENATED BITTERS.

We call the attention of the reader to the following letter from President Smith, formerly of Wesleyan University, and now of Annopolis, Md.

MIDDLETOWN, Conn., Feb. 22, 1859. SETH W. FOWLE & Co. - Gentlemen: - I first made use of the Orggenated Bitters some seven or eight years since. Having autfered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending re ommendation of Dr. Green, " to try one bottle, and if

no benefit was received to discontinue the use."

The use of one bettle warranted a further trial, to the my system, and upon the active energies of the digestiv organs. I now down invself as exempt from Dyspepsis as most persons. These Bitters have also been of set vice to other members of my family.

AUGUSTUS W. SMITIL

RICHMOND, Tioga Co., Pa., Aug. 25, 1838. White of Mansfield, to give the Orygenated Bitters a trial. I took two bottles, which gave me so much relief that I purchased two more, which have nearly or quite effected a cure. I am now nearly seventy-five years of age, and for three nths past have felt no inconvenience for I take great pleasure in recommending the Bitters to all
