☞ The reports going the rounds of the opposition press, that Lincoln is receiving daily many letters from Southern politicians, asking for office under his administration, is a *hoax*, a *trick*, to deceive the people into the belief that the Southern men only care for office, and are disposed to endorse the creed of the Northern enemies.

—WISTAR'S BALSAM OF WILD CHERRY is incontrovertibly the best known remedy for the cure of Coughs, Colds, Sore Throat Bronchitis, Asthma, Croup, Whooping Cough, and incipient Consumption, as well as every disease effecting the Throat, Chest, and Lungs. "COSMOPOLITAN ART ASSOCIATION."

The seven years of unrivalled success attending the "Cosmopolitan Art Association," have made it a household word throughout every quarter of the country.

Under the auspices of this popular institution, over Three Hundred Thousand homes have learned to appreciate—by beautiful works of Art on their walls, and choice literature on their tables, the great benefits derived from becoming a subscriber.

Subscriptions are now being received in a ratio unparalleled with that of any previous year.

TERMS.—Any person can become a member by subscribing Three Dollars, for which sum they will receive

1st.—The large and superb steel engraving, 30 x 38 inches, entitled, "FALSTAFF MUSTERING HIS RECRUITS."

2d.—One copy, one year, of that elegantly illustrated magazine, "THE COSMOPOLITAN ART JOURNAL."

3d.—Four admissions, during the season, to "The Gallery of Paintings, 548 Broadway, N. Y."

In addition to the above benefits, there will be given to subscribers, as gratuitous premiums, over Five Hundred Beautiful works of Art! comprising valuable paintings, marbles, parians, outlines, &c., forming a truly national benefit.

The superb engraving, which every subscriber will receive, entitled, "Falstaff Mustering his Recruits,' is one of the most beautiful and popular engravings ever issued in this country. It is done on steel, in fine line and stipple, and is printed on heavy plate paper, 30 by 38 inches, making a most choice ornament, suitable for the walls of either the library, parlor or office. Its subject is the celebrated scene of Sir John Falstaff receiving, in Justice Shallow's office, the recruits which have been gathered for his "ragged regiment." It could not be furnished by the trade for less than five dollars.

The Art Journal is too well known to the whole country to need commendation. It is a magnificently illustrated magazine of Art, containing Essays, Stories, Poems, Gossip, &c., by the very best writers in America.

The engraving is sent to any part of the country by mail, with safety, being packed in a cylinder, postage prepaid.

Subscriptions will be received until the evening of the 31st of January, 1861, at which time the books will close and the premiums be given to subscribers.

No person is restricted to a single subscription. Those remitting $15, are entitled to five memberships and to one extra Engraving for their trouble.

Subscriptions from California, the Canadas, and all Foreign countries, must be $3.50 instead of $3, in order to defray extra postage, etc.

For further particulars send for a copy of the Elegantly Illustrated Art Journal, pronounced the Handsomest Magazine in America. It contains a catalogue of Premiums, and numerous superb engravings. Regular price, 50 cents per number. Specimen copies, however, will be sent to those wishing to subscribe, on receipt of 18 cents, in stamps or coin.

Address, C. L. DERBY, C. A. A.,
546 Broadway, New York.

N. B.—Subscriptions received and forwarded by A. H. SMITH, agent for Montrose and Vicinity, where specimen Engravings and Art Journal can be seen.

A Thing of Beauty, is a Joy Forever.—Who can be beautiful with a sickly pale complexion. Keep the pores of the skin free and the blood pure, and your cheeks will vie with the Rose and Lily. The skin is formed with thousands of pores in every inch of surface, whose office it is to carry off the impurities of the blood—the acknowledged cause of all diseases of mankind—when the skin is dry and parched—when it is covered with eruptions—when it is cold and clammy—when there is inward fever or inflammation—it is impossible for the skin under these circumstances to perform its proper functions, and carry off the impurities of the body as designed by our Creator.

JUDSON'S MOUNTAIN HERB PILLS remove these obstructions, and produce free and healthy blood, remove the eruptions from the skin, and cause it to brighten with the flush of youth and beauty. Beauty so much admired and loved. Beauty without paints and cosmetics—beauty produced by health and happiness. dec-

Judson's Mountain Herb Pills are sold by all Dealers.

'Reduced by Dyspepsia to a mere Skeleton.'—CURED BY "BOERHAVE'S HOLLAND BITTERS."—Mr. A. Mitchell, a trader probably as well known as any man in Western Pennsylvania, states as follows: "I met with a farmer in Armstrong county who was *reduced by Dyspepsia to a mere skeleton*. I persuaded him to buy a bottle of the Boerhave Holland Bitters, believing it would cure him.—Meeting him some months after, what was my astonishment at finding him a hale, hearty man; he told me he now weighed 230 pounds, and that this wonderful change had been produced by Boerhave's Holland Bitters, to which he attributed solely his restoration." doc

Moffat's Life Pills.—The high and envied celebrity which this pre-eminent medicine has acquired for invariable efficacy in all diseases it professes to cure, has rendered the usual practice of ostentatious puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous. In all cases of costiveness, dyspepsia, bilious and liver affections, piles, fevers and agues rheumatism, obstinate headaches, and general derangements of health, these Pills have invariably proved a certain and speedy remedy. A single trial will place the LIFE-PILLS beyond the reach of competition in the estimation of every patient.

DR. MOFFAT'S PHŒNIX BITTERS will be found to be equally efficacious in all cases of dyspepsia, headache, nervous debility, sickness incident to females in delicate health, and every kind of weakness of the digestive organs. For sale by DR. W. B. MOFFAT, 335 Broadway, N.Y., and by medicine dealers and druggists generally throughout the country. dec13-y

NEW ARRANGEMENTS IN THE

BRICK BLOCK.

THE undersigned, having taken the Rooms formerly occupied by W. B. DEANS, is now prepared to furnish all who may desire with a good and truthful Portrait.

Being well posted in the production of the various kinds of Pictures of the day, I flatter myself that my work is not excelled by any in this section of the country.

Among the various kinds taken at my Rooms are the

AMBROTYPE, PHOTOGRAPH, MELAINOTYPE, NEILLOGRAPH.

Locket Pictures down to the smallest sized miniature Ring. Transferred Ambrotypes—the finest thing out, for sending by Post to any part of the World without extra postage. My Pictures are bold, vigorous, and expressive—not those faint, lifeless shadows often sold about the country. Pictures taken in all kinds of weather, equally well, except those of young children. No picture need be taken unless perfect satisfaction is given.

In dressing for a picture, avoid light colors,—such as blue, purple, scarlet, pink, etc. Most others take well; as green, black, red, snuff, brown, orange, yellow, etc.
