THE undersigned having taken the Rooms formerly compled by W. B. DENS, is now prepared to furnish all who may desire with a good and truthful learning. Being well posted in the production of the various kinds of Pictures of the day, I flatter myself that my work is not excelled by any in this section of the country.

Among the various kinds taken at my Rooms are the AMBROTYPE, PHOTOGRAPH, MELAINOTYPE, NEILLOGRAPH. Locket Pictures down to the smallest sized miniature Ring. Transferred Ambrotypes—the finest thing out, for sonding by Post to any part of the World without extra postage. My Pictures are bold, vigorous, and expressive—not those faint, lifeless—shadows often sold about the country. Pictures taken in all kinds of weather, equally well, except those of young children. No picture need be taken unless perfect satisfaction is given.

In dressing for a picture, avoid light colors,—such as blue, purple, scarlet, pink, etc. Most others take well; as green, black, red, snuth, brown, orange, yellow, etc.
