Peace Conference Propositions. slopted by sections. After the whole THE MONTROSE DEMOCRAT The following are the propositions agreed plan had been passed, a statement was upon by the Peace Conference at Washington on Wednesday, and which in pursuance of the direction of the Conference, have been laid before Congress for their approval. The plan of compromise being in the form of an amendment to the Constitution, it will require a vote of two- to restore peace and harmony to the thirds of both houses of Congress to secure its passage, after which it must be ratified by the Liegislatures or Conventions of three-fourths of the soveral States, gress with the sanction of the entire Con- The effort to pass a law authorizing the as the one or the other mode of ratifica- vention. tion may be directed by Congress:

thirty-six degrees thirty minutes of north latitude, involuntary servitude, except in punishment for crime, is prohibited. In all the prosent Territory south of that line the status of persons held to service or labor, as it now exists, shall not be changed. Nor shall any law be passed by Congress or the Territories of a nature to hinder or prevent the taking of such persons from any of the States of this Inion to said Territory, nor to impair the rights arising from such relation. But the same shall be subject to judicial cognizance in the federal courts, according to the course of common law. When any Territory north or south of said line, with such boundary as Congress may prescribe, shall contain a population equal to that required for a member of Congress, it shall, if its form of government be Republican, be admitted into the Union on an equal footing with the original States, with or without involuntary servitude. as the constitution of such State may pro-
