Reliable Testimony.

We call the attention of the reader to the following letter from President Smith, formerly of Wesleyon University, and now of Annapolis, Md.

MIDDLETOWN, Conn., Feb. 28, 1659. SETH W. FOWLE & Co. - Gentlemen : - I first nade use of the Organited Bitters' some seven of eight years since. Having suffered for twenty years from a form of dyspepola, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the impretending recommendation of the Green, "to try one bettle, and if no benefit was received to discontinue the u-c." The use of one battle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relicf from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these flatters produced an entire change in the kabits of my system, and upon the active energies of the digestive organs. I now doom myself as exempt from Pyspepsia

as must persons. These Bitters have also been of ser-

vice to other members of my family.

Very respectfully yours, AUGUSTUS W. SMITH.
