☞ The New York Times, a leading Republican paper, in an editorial of April 2d, headed "Wanted a Policy," denounces the inactivity and imbecility of Mr. Lincoln in vehement language; says the Union is in a far worse position that when he came into power; that he has done nothing ever since but administer spoils to greedy partisans, and has let slip the golden opportunity of saving the Union which will never return. It says he has no policy, but is letting the Union drift its own course to destruction. It calls upon him to come out promptly and tell the country what he is going to do, for any policy is better than none.

Even the Tribune contained an attack upon the President for not showing his hand, and declaring either for peace or war.

Mothers, Read This.—The following is an extract from a letter written by the pastor of a Baptist Church to the "Journal and Messenger," Cincinnati, Ohio. It says volumes in favor of that world-renowned medicine—Mrs. Winslow's Soothing Syrup for Children Teething:

"We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of any patent medicine in our life, but we feel compelled to say to your readers that this is no humbug—we HAVE TRIED IT, AND KNOW IT TO BE ALL IT CLAIMS. It is probably one of the most successful medicines of the day, because it is one of the best. Those who have babies cant do better than to lay in a supply."

Fever and Ague.—A case of eight months standing cured by BOERHAVE'S HOLLAND BITTERS. Michael Kelly, No. 117 Seventh, near Grant street, says:

"Last July, while running on the river, on a cotton boat plying between Natchez and New Orleans, I was taken with Fever and Ague. For eight long months I suffered with this dreadful disease. The greater part of this time I was unable to work, and spent at least fifty dollars for different medicines, but found no permanent relief. Three weeks ago, one of my friends insisted on my trying Dr. Boerhave's HOLLAND Bitters, saying that it *never was guaranteed*. After taking it one week, I must state, I was a sound man. I have been at work now two weeks, and have had no return of the Chills and Fevers whatever. I certify that the above statement is true.

SEWING MACHINES,

495 Broadway, New-York.

The public attention is respectfully requested to the following cards of ELIAS HOWE, JR., and the GROVER & BAKER S. M. Co.:

A Card from the Grover & Baker S. M. Co.:

Our Patents being now established by the Courts, we are enabled to furnish the Grover & Baker Machine, with important improvements, at greatly

REDUCED PRICES.

The moderate price at which machines, making the Grover & Baker Stitch, can now be had, brings them within the reach of all, and renders the use of machines making inferior stitches as unnecessary as it is unwise.

Persons desiring the best machines, and the right to use them, must not only be sure to buy machines making the Grover & Baker Stitch, but also that such machines are made and stamped under our patents and those of Elias Howe, Jr.

GROVER & BAKER S. M. CO.,

A CARD FROM ELIAS HOWE, JR.

All persons are cautioned not to make, deal in, or use any sewing machines which sew from two spools and make the stitch known as the Grover & Baker stitch, unless the same are purchased from the Grover & Baker Sewing Machine Company, or their Agents, or licences, and stamped under my patent of September 20, 1846.

Said company, and their licences, alone, are legally authorized under their own patents, and my said patent, during the extended term thereof to make and sell this kind of sewing machine, and all others are piracies upon my said patent, and will be dealt with accordingly where ever found.

PORTRAITS, PORTRAITS!

NEW ARRANGEMENTS IN THE

BRICK BLOCK.

THE undersigned having taken the Rooms formerly occupied by W. B. DEAN, is prepared to furnish all who may desire with a good and truthful Portrait.

Being well posted in the production of the various kinds of Pictures of the day, I flatter myself that my work is not excelled by any in this section of the country.

Among the various kinds taken at my Rooms are the

AMBROTYPE, PHOTOGRAPH, MELAINOTYPE, NEILLOGRAPH.

Locket Pictures down to the smallest sized miniature Ring. Transferred Ambrotypes—the finest thing out, for sending by Post to any part of the World without extra postage. My Pictures are bold, vigorous, and expressive—not those faint, lifeless shadows often sold about the country. Pictures taken in all kinds of weather, equally well, except those of young children. No picture need be taken unless perfect satisfaction is given.

In dressing for a picture, avoid light colors,—such as blue, purple, scarlet, pink, etc. Most others take well; as green, black, red, snuff-brown, orange, yellow, etc.

☞ Remember that the place to get your "picture" is in the Brick Block, over Read, Watrous & Foster's store.
