Cincinnatii, Ohio, It says volumes in favor of that world-renowned medicine-Mrs. Winslow's Soorthing Syrath. Now we never said a word in favor of any patent medicine in our life, but we feel compelled to say to your readers that this is no himbug—wr. HAVE TRIED IT, AND KNOW IT TO BE ALL IT CLAIMS.—It is probably one of the most successful medicines of the day because it is one of the best. The Cures made by Prof Decirath with his "ELECTRIC OIL." are almost miraculous and so wenderful and instantancous, so satisfactory, and mitigating of human ill, as to call upon public functionaries, and these having charge of public institutions for the sick and suffering, to look well into the well attested merits, the simple efficacy of this. GROVER & BAKER'S

CELEBRATED NOISELESS SEWING MACHINES, NEW POR FAMILY AND MANUFACTURING USE,

495 Broadway, New-York. Agencies in all the principal Cities and Towns in the United States.

The Grover & Baker Sewing Machine, Company are now manufacturing, and have on exhibition at their different sales rooms, machines making the Shuttle or Lock Stitch. Of the same prices as their celebrated Grover & Baker Sittch Machinea, thus affording the public the advantage of comparing the stitches of the the leading machines and exercising their own judgment as to their respective merits. This is the only company that manufactures both kinds of machines and therefore the only ome that can offer this privilege to the purchaser.

We speak from experience when we say that, after having tried all the principal sewing machines, we must accord to that of Grover Baker the pre-eminence. Those indispensable features of sewing, strength, uniformity, and elasticity, all of which are brought out in this incomparable invention, make it the first sewing machine in the country. Others have their good points, but this combines all, and possesses every characteristic necessary to make it most desirable. —N. Y. Christian Advects and Journal.

A trial of over two years enables us to say with the greatest confidence that there is no better machine for general Family use than Grover & Baker's Swing Machine Co. It makes a beautiful elastic seam that does not rip with wear or washing, runs almost noiselessly, is plain, simple, easy to work, and not liable to get out of repair, fastens the ends of its own thread, and uses threads and silks directly from the spools on which they are bought. — N. Y. Leader.

"The points we conceive most necessary and impor-tant to meet the wide range of requirements in a machine for family sewing, we find more fully combined in the Grover & Baker, viz.e extent of capacity, simplicity of construction, case of management, advantage of using thread from two spools without re-winding, strength of work, clasticity, durability and regularity of stitch, and quictness of movement. We therefore make award to the Grover & Baker."—Report of Committee of Tennesset State Fair of 1800—also of St. Louis State Fair of 1869. F. B. CHANDLER, Agent, " febl ly cq m* Montrose, Pa.

ASA, MORGRIDGE.

As a Family Physic. From Dr. E. W. Carturight, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They comild, but very cirtain and effectual la their action on the bowels, which makes them invaluable to us in the dail, treatment of them.

Headache, Sick Headache, Foul Stomach From Dr. Educard loyd, Bullimore.

Drait Bno. Ayra: I cannot answer you schul con.

Planta I have cared with your I'llis better than to say
all that we erer treat with a purguite medicine. I plagreat dependence on an effectual cathartic in my daily
contest with disease, and believing as I do that your Fillafford us the best we have, I of course value them highly PITTSBURG, PR., May 1, 1888.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst kendacke any body can have, by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Billious Disorders — Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their benedicial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of billous complaints than any one remety I can mention. I sincertly rejoice that we have at length a purgative which is worthy the confidence of the profession and the popular that the profession and the popular was a Department of the Interest of The Interest of Washington, D. C., 7th Yeb., 1856.

Sin: I have used your Pills in my general and hospital practice ever since you made them, and do not lestitate to say they are the best cathartic we employ. Their repuisiting action on the liver, is quick and decided, come quently they are an admirable remedy for derangement of that organ. Indeed, I have seldom found a crise of billous disease so obtinate that it did not readily, yield to them: Fraternally yours, ALONZO BALL, R. D., Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and 7 hold them in esteem as one of the best aperients I have ever found. Their attentive effect upon the liver makes them an excellent remedy, when given in small does be bitious dyscutery and diarrham. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. F. Himes, Pastor of Advent Church, Boston.

Dr. ATER: I have used your Fills with extraordinary streets in my family and among those I am called to fish in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

WARSAW, Wyoning Co., N. Y., Oct. 28, BCS.

DEAR Size: I am using your Cathertic Fills in my presentice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

Constipation. Confidences.

JOHN G. MEACHAN, M. D. Constipation, Coativeness, Suppression, Rhemmatism, Gout, Neuralgia, Depty, Paralysis, Fits, etc.

Prom Dr. J. P. Vaughn, Montreal, Canada...

Too much cannot be said of your Fills for the cure of cotireness. If others of our fraternity have found them as effications as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although had caough in itself, is the progenitor of others that are worse. I believe on forcases to originate in the liver, but your Fills affect that organ and cure the disease.

The Mea F. Start Physician and Middel Control From Mrs. E. Stuart, Physician and Midwige Boston.

I find one or two large dones of your Pills, taken at the proper time, are excellent promotives of the majoral accretion when wholly or partially suppressed, and also vary effectual to clemne the stomach and expel sorms. They are so much the best physic we have that I recommend no after to my naticula. From the Rev. Dr. Hawkes, of the Methodist Epis. Church. From the Rev. Dr. Hawker, of the Methodist Epis. Church
PULASKI HOUSE, Savannah, Ga., Jan. 6, 1836.
HONORED Sin: I should be ungrateful for the relief
your skill has brought me if I did not report my ease
to you. A cold settled in my, limbs and brought on excruciating neuraloic pains, which ended in chronic rheamatism. Notwithstanding I had tho best of physicians,
the disease grew worse and worse, until by the navice of
your excellent agent in Estimore, Dr. Maskenzie, I tried
your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SEVALES CHARDER. Beton Rouges La. 5 Dec. 1868. SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1853.

DR. ATER: I have been entirely cured, by your Tills, of Rheumatic Goul—a painful discuse that had affilied as for years.

VINCENT SLIDELL. 27 Most of the Pills in market contain Mersery, which, although a valuable remedy in skilful hands, is, dangerous in a public pill, from the dreadful consequences that frequently follow its insultions use. These contain no mercury or mineral substance whatever.
