Be of Good Cheer.—Debility and Languor. Out of many there is but one infallible remedy, "Holloway's World renowned Pills," and only one source of this disorder, the stomach. When we consider the sympathetic affinity existing between the condition of the stomach and the action of the brain, we can easily understand the *rationale* of Holloway's treatment. Thro' the stomach and the circulation the Pills act on the general system, and by purifying the blood, renovating the digestive organs, and stimulating the secretions of the liver, they give a buoyancy to the animal spirits, elasticity to the body, and vigor to the whole constitution. Holloway's Ointment is the only sure remedy for old sores, ulcerated legs, cutaneous eruptions, &c. je20

Great Discovery!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. De Grath's "ELECTRIC OIL," for the relief and cure of pain. But the people themselves are rendering their verdict in a manner both unmistakable and satisfactory. More than twenty thousand bottles have been sold in a very short time, a great proportion to those who heard others recommend it, who had tried it. That rare splendid discovery is everywhere acknowledged, and nothing like it was ever before prepared.

The only Genuine ELECTRIC OIL is Prof. De Grath's which is to be had at all the respectable Druggists in the cities, and at wholesale and retail, at the proprietor's price of the agent. See advertisements. jel 3m

Mothers, Read This!—The following is an extract from a letter written by the pastor of a Baptist Church in the "Journal and Messenger," Cincinnatti, Ohio. It says volumes in favor of that world-renowned medicine—MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN TEETHING:

"We see an advertisement in your columns of Mrs. Winslow's Soothing Syrup. Now we never said a word in favor of any patent medicine in our life, but we feel compelled to say to our readers that this is no humbug—we HAVE TRIED IT, AND KNOW IT TO BE ALL IT CLAIMS. It is probably one of the most successful medicines of the day, because it is one of the best. Those who have babies cant do better than to lay in a supply. dec20 y.

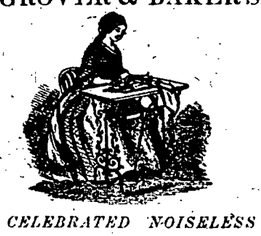
GROVER & BAKER'S



CELEBRATED NOISELESS

SEWING MACHINES,

FOR FAMILY AND MANUFACTURING USE,

495 Broadway, New-York.

Agencies in all the principal Cities and Towns in the United States.

The Grover & Baker Sewing Machine Company are now manufacturing, and have on exhibition at their different salesrooms, machines making the Shuttle or Lock Stitch, of the same patterns and at the same prices as their celebrated Grover & Baker Stitch Machines, thus affording the public the advantage of comparing the stitches of the the leading machines and exercising their own judgment as to their respective merits. This is the only company that manufactures both kinds of machines and therefore the only one that can offer this privilege to the purchaser.

"We speak from experience when we say that, after having tried all the principal sewing machines, we must accord to that of Grover & Baker the pre-eminence. Those indispensable features of sewing, strength, uniformity, and elasticity, all of which are brought out in this incomparable invention, make it the first sewing machine in the country. Others have their good points, but this combines all, and possesses every characteristic necessary to make it most desirable."—*N. Y. Christian Advocate and Journal.*

"MERIT VS. PRETENCE.—We perceive that the Grover & Baker Sewing Machine is every day growing more and more in favor, both for manufacturing and family purposes—but especially as adapted to all the requirements of family use. Other machines, by dint of brazen puffery and conniving with committees at annual fairs, have been thrust forward into the first place; but they are fast losing this unmerited position. The real merits of the Grover & Baker Machine, are beginning to be known in a practical way, and daily is the demand for them increasing, while the demand for heretofore better known, but inferior machines, is proportionately decreasing. So it turns out in this, as in many other instances, that 'honesty is the best policy,' and the right, in the end, comes uppermost.

"A trial of over two years enables us to say with the greatest confidence that there is no better machine for general Family use than Grover & Baker's Sewing Machine Co. It makes a beautiful elastic seam that does not rip with wear or washing, runs almost noiselessly, is plain, simple, easy to work, and not liable to get out of repair, fastens the ends of its own thread, and uses threads and silks directly from the spools on which they are bought."—*N. Y. Leader.*

Grover & Baker's Machines' work, in their peculiar stitch, and fabrics put together by it, may wear and drop to pieces from original weakness or hard usage, but come apart or give way at the seams they cannot—they will hold together when the cloth or calico around them hangs in rags and tatters.—*N. Y. News.*

"The points we conceive most necessary and important to meet the wide range of requirements in a machine for family sewing, we find more fully combined in the Grover & Baker, viz.: extent of capacity, simplicity of construction, ease of management, advantage of using thread from two spools without re-winding, strength of work, elasticity, durability and regularity of stitch, and quietness of movement. We therefore make award to the Grover & Baker."—*Report of Committee of Tennessee State Fair of 1860—also of St. Louis State Fair of 1860.*

PORTRAITS, PORTRAITS!

NEW ARRANGEMENTS IN THE

BRICK BLOCK.

THE undersigned having taken the Rooms formerly occupied by W. B. DEANS, is now prepared to furnish all who may desire with a good and truthful Portrait.

Having well posted in the production of the various kinds of Pictures of the day, I flatter myself that my work is not excelled by any in this section of the country.

Among the various kinds taken at my Rooms are the

AMBROTYPE, PHOTOGRAPH,
MELAINOTYPE, NEILLOGRAPH.

Locket Pictures down to the smallest sized miniature Ring. Transferred Ambrotypes the finest thing out, for sending by Post to any part of the World without extra postage. My Pictures are bold, vigorous, and expressive—not those faint, lifeless shadows often sold about the country. Pictures taken in all kinds of weather, equally well, except those of young children! No picture need be taken unless perfect satisfaction is given.

In dressing for a picture, avoid light colors,—such as blue, purple, scarlet, pink, etc. Most others take well, as green, black, red, snuff, brown, orange, yellow, etc.

☞ Remember that the place to get your "picture" is in the Brick Block, over Read, Watrous & Foster's store.
