This is to certify, that Mrs. Emory has been afflicted for years past with that distressing complaint known as the "Piles." and that having falled in securing relief from various Physicians, she was induced from reports to try Mr. Williams. "Pile Solution," which we obtained at one of his Agencies in Tunkhannock, Pa. The result has been the most favorable. The trial was made with it last fall, and after using as directed for a few days, what we have good reason, to think was a permanent cure was effected. Several other cases of a similar mature in this vicinity have used it with like results. With Mr. Williams motion of one in pay," every one thus afflicted will certainly do well to try it.

HOLLOWAY'S PILLS

NERVOUS DISORDERS.

WHAT is more fearful than a breaking down of the nervous system? To be exclusible or nervous in a small-degree is most distressing, for where can a remedy be found? There is one;—drink but little wine, beer, of spirits, or far better, more; take he collies,—weak tea being preferable; get all the fresh air you can; take three or four lills every ulpit; ear plenty of solids, avoiding the use of spirits and if these colden rules; are followed, you will be happy in mind, strong in body, and forget you have nerver Mothers & Daughters. If there is one thing more than another for which these Pulls are famous, it is their purifying properties, especially their power of cleansing the blood from all impurities, & removing dangerous and suspended secretions. Univer-sally adopted as the grand remaily for female complaints, they never fail, never weaken the system, and always bring about what is required.

Sick Hendache and Want of Appetite. These feelings which so sadden as most frequently arise from annovances or trouble, from perspiration, or from cating and drinking what is until for us, thus disordering the stomach and liver. These organs minst be regulated if you wish to be well. The Pills if taken according to the printed instructions, will quickly restore a healthy action to both liver and itomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS.

For Stomachs out of Order.

No medicine will so effectually improve the tone of the stomach as these Pilis; they remove all acidity, occasiond either by intemperance or improper diet. They reach the iver sind reduce it to a healthy action; they never fall number and stomach. Holloway's Pills are the best remedy known in the world for the following diseases:

Prof. De Guarn: I have been affilied of or thirteen years with Neuralgia and other painful complaints, and I have been unable to sleep soundly or walk any distance for many years past. Last week I got a bottle of your Klectiic Oil. The first night I sleep soundly and well, and today I am like a new man. My wife could not believe the eyes. Your Electric Oil has done in one week what the physicians of Philadelphia failed to do in thirteen years.

J. C. Aver & Co. Gents: I feel it my duty to seknowledge what your Saraparilla has done for me. Having inherited a Serotulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it burst out in Ulcers on my hands and arms; sometimes it burst out in Ulcers on my hands and arms; sometimes it burst out in Ulcers on my hands and arms; sometimes it burst out in Ulcers on my hands and arms; sometimes it burst out in Ulcers on the same and arms; sometimes in Italian and early with one sore, which was painful and loadinsoms beyond description. I tried many medicines and severphysicians, but without much relieffrom any tiling. It fact, the disorder grew worse. At length I was reloided to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you make must be good. I sent to Cinchmati and got it, and seed it till it cured me. I took it, as you advise, in amail doses of a teaspoonthi over a month, and used almost three bottles. New and healthy skin so you advise, in amail doses of a teaspoonthi over a month, and used almost three bottles. New and healthy skin so heart in form under the seah, which after a while fell off. My skin is now clear, and I know by my feelings that the disease is gone from my system. You can well believe that I feel what I am saying when I toll you, that I hold you to be one of the specific of the acc, and remain ever gratefully, ALPIED B. TALLEY.

SyphHis and Mercurial Disease.

New Obleans, 22th August, 1859.

Dh. J. C. Ayen. Sir'd leavely like your agent, and report to you some of the effects I have realized with your Sarsaparills.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the ento of Teneral and Mercurial Disease. One of my patients had syphilitic ulcerate his throat, which were consuming his polate and the top of his mouth. Your Sarsaparilla, steadly taken, cared him in five weeks. Another was 'stracked by seen ordery symptoms in his nose, and the ulceration had alten agan'y a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparills: the alters healed, and he is well again, not of course without some distinguration of the face. A woman who had been treated for the same disorder by merrary was saffaring from this pole on in he longs. They had become so sentitive to the weather that on a dinip day she suffered excruciating bain in Bur joints and boars. Site, too, was cured entirely by youk Sarsaparills in a few yeeks. I know from its formula, which your agent gave me, that this Preparation from your historatory must be a greaterned; consequently, these truly remarkable results with, it have not surprised me.

Dr. J. C. Ayen. Sir: I have been afflicted with a pain oil chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Saraparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. Fire AM. Jules V. Getchell, of St. Lonis, writes: "I have been afflicted for years with an offertion of the Liver, which destroyed my healfil. I tried every thing, and every thing fulled to relieve me; and I have been a broken-lown man for some years from no other ranse than derangement of the Liver. My beloved pastor, the Rev. Mr. Leny, advised me to try your Saraparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of Gol it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."
