

MONTROSE, THURSDAY, OCTOBER 10th, 1861.

THE UNION TICKET.

President Judge—ULYSES MERRILL, of Bradford Co. Associate Judge—CHARLES F. BROWN, of Montrose.

The last Montrose Republican labors with perfect frenzy for the success of the party ticket; and not content with a mainly support of favorites, it resorts to the utterance of numerous statements which are unfounded, and we have ample reasons to believe willfully false.

We assume the privilege of dictating to no man how he shall vote, but we may give our opinion on such topics, with propriety; and we honestly believe that the wisest course for all men who think that this government ought to be sustained, and that during the fearful crisis, people ought to endeavor to cultivate friendly feelings towards their honest neighbors in order to enable them to more candidly decide means to perpetuate the Union.

Grow tries to make the public believe that his party ticket is not a party ticket; yet Republicans tell us that he is going about the county privately appealing to men to abandon the Union ticket, as they are aiding to break up the Republican party!

Among other Republican journals, the Boston Transcript is very savage on the President for refusing to let Fremont violate the laws in his abolition plans. It says: "The President finds no difficulty in overruling the Constitution and laws."

Coroner Halsey held an inquest on the body of Malachi Gannon in the township of Liberty—Gannon died on the afternoon of the 14th ult. The previous evening he was in the company of a party that had assembled for the purpose of serenading a newly married couple and drank freely of some whiskey that had been provided for the occasion.

Teachers' Institute—A Teachers' Institute will be held at the Church, in Auburn Centre, Oct. 15th and 16th, and at the School House, in Glen Dale, Oct. 25th and 26th.

Union Meeting and Pole Raising. A meeting of the citizens of Gibson and other towns, was held at J. W. Gillett's in Gibson, on Thursday, September 12th 1861. J. L. Gillett and Dr. Manzer were in the Chair. J. W. Gillett furnished a splendid pole and flag; the pole was then raised, and the old patriotic tune "Yankee Doodle" was played.

What he called for. The California Christian Advocate states that a sessionist recently entered an eating-house at Martinez, and called for a first-rate plate before him a large covered dish—"only that and nothing more."

Volunteers Attention!—For the de- rangement of the system, incidental to the change of diet, Wounds, Bruises, and exposure, which every volunteer is liable to. There are no remedies so safe, convenient and reliable as Holloway's Pills & Ointment, 25 cents per box.

War for the Union.

Another Susquehanna county Company is being formed in Montrose, for the war. Our county is called upon for two more companies of Union Soldiers and we wish to be the first in the field.

There will be a recruiting tent on the Fair Grounds in Montrose during fair days, when all good and true men will have a chance to enroll their names. The company will be organized the day after the fair if the requisite names are enrolled.

Now is your time, only 101 men can go in one company, and over 30 names are already enrolled. So hurry up boys, or your chance will be gone—don't wait for others, or while you wait our battles may be won, and you will lose the honor and the glory.

Capt. Dimock's Company. This crack company meets with good success at every step. A note from I. H. Cross, dated at Camp Curtis, September 30th, says:

First day went as far as Scranton, where we arrived all right. In the morning took leave of the Montrose Band and some other friends, and started en route for Harrisburg, at which place we arrived about two o'clock, p. m., in fine spirits, and immediately went to Camp Curtis, where we raised our tents, and late in the afternoon had dinner on the "tent" field.

On the 1st the company was mustered into the 50th regiment, Col. Christ, and left for the seat of war. No rifles could be obtained, but they were supplied with muskets and promised rifles in the future. We suppose their Colonel to be Benjamin C. Christ (short I) of Schuylkill county; and if so, they are fortunate, for a better man never entertained a friend or crossed swords with a foe. He is one of Nature's Noblemen.

The Fremont and Blair Difficulty.

A telegram from Washington, Sept. 30th says that from facts ascertained there it appears that on Wednesday last General Fremont released Col. Blair from arrest in language in the order tantamount to a general release to present his charges formally. On Thursday Colonel Blair presented charges formally against Gen. Fremont, in response to the defiance. Thereupon General Fremont immediately arrested Colonel Blair and sent him to Jefferson Barracks.

The army regulations allow no officers to be arrested for a longer period than eight days, without charges being preferred. General Fremont disregarded the regulations in the case of Colonel Blair. After this violation of the regulations, a second arrest for the same cause, and without charges, has attracted attention and caused much remark.

Successes Foraging Expedition. Washington, Sept. 18.—A foraging expedition started this morning from Gen. Grant's division, consisting of infantry, cavalry, and artillery, foraging for provisions and other supplies in the Orange and Alexandria Railroad, eight miles from Alexandria.

Teachers' Examination. The examination of teachers for this county will be held in accordance with the following programme: In two or three instances two townships have been put together, in order that the examinations will be held before any of the winter Schools commence.

General Pidge's (Rebel) official report giving a somewhat detailed account of the battle of Lexington, has been published. The following are the closing paragraphs: "Our entire loss in this series of engagements amounts to 25 killed and 72 wounded."

Latest War News. The great forward movement from Washington against the rebels which has been so long expected, was made on Saturday night; but singular as it may seem, it is nevertheless true, that notwithstanding the great demonstration made by rebels, in that quarter for weeks past, when our army advanced upon their positions, not a rebel was to be found.

Prize Shooting. A prize shooting match will take place on Wednesday, Oct. 10th, the first day of the Susquehanna county Fair, at 10 o'clock, on the Fair Ground at Montrose.

NEWS ITEMS.

A letter from Paris says several superior and dullest officers of the French Artillery were offered great advantages for their service in the United States army but the French Government, which did not appear to be desirous of their services, declined the offer at the first mention, decided on the 14th inst. granting them the necessary permission.

Kit Carson is in command of the first Regiment of Volunteers at Fort Union, New Mexico, and much satisfaction is felt at the general appearance and efficiency of his command.

While very many troops have crossed into Virginia, an immense number still remains. Camps dot the entire surface of the country north of Washington, regiments of infantry, cavalry companies and well equipped artillery companies cover the country from the Potomac to the Allegheny.

The Government has for some time past been making experiments with iron wheel transportation wagons. Col. Joseph P. Taylor, brother of the late President Taylor, has been appointed Chief of the Bureau of Subsistence, in place of Gen. Gibson, deceased.

The Secretary of War, in consequence of the pressure of public business, is compelled to cease opening any letters marked "Private." Hereafter all letters so marked will remain unopened.

Regulations &c. The Committee and Secretary have an office on the Fair Grounds, where the Judges are requested to meet at 10 o'clock of the second day, when their names will be called and vacancies filled; and they will enter upon their duties and be ready to report in writing at 3 o'clock of the same day.

Exhibitors wishing to compete for premiums, must have their animals or articles entered on the Secretary's Book, the first day of the Fair, if possible; and a card, which will be received from the Secretary, C. L. Brown, must be placed on the animal or article to be exhibited. It must be all on the ground for exhibition by 10 o'clock, a. m., of the second day, or they cannot receive a premium.

There will be voluntary Lady and Gentlemen driving on the track, at 3 p. m., first day. Superintendents of the different departments will have all animals and articles systematically arranged. The officers of the society and superintendents will be known by their official badges.

A more specific programme of the arrangements, and the day's appointed work, time, &c., will be posted up in and about the Fair Grounds. A sufficient Police force will be in attendance, day and night, to protect the property of exhibitors.

Stock can be entered ten days previous to the Fair by calling on C. L. Brown, Secretary. Office at F. B. Chandler's Store. No provision will be made for stalling stock over two years old.

Exhibition of horses for premiums will take place at 1 p. m., first day, and 11 a. m., second day. Sweepstakes exhibition at 1 p. m., second day. No premium will be awarded to any person exhibiting articles or animals not entered in the name of the bona fide owners of the same.

The Ladies' Hall will be decorated with evergreens, and we hope to see it filled with articles and a good selection of flowers that will do credit to this department. Several additional premiums have been offered. The Fairies' Grotes, with some new attractions, will be at the fair, by request of the Committee.
