Ohie Soldiers.

A bill was introduced in the Ohio Legslature in the early part of the session providing that a soldier might vote a: Ohio Elections, wherever they might be The Democratic members from its introduction until the adjournment urged its passage. During the last two days of the session the discussion on the hill be come general-the Democrats favoring the bill, and the Republicans opposing it. The principal arguments made use of by the Republicans was, that "the Soldiers are dishonest and we can not get a fair vote." The Democrats did could to secure the passage of the bill but were ovepowered by the Abolition Republican majority that has controlled all the legislation this winter.
