### HOSTETTER'S
## STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernumerated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

NEW ARRANGEMENTS IN THE
## BRICK BLOCK.

THE undersigned having taken the Rooms formerly occupied by W. B. DEANS, is now prepared to furnish who may desire with a good and truthful Portrait.

Being well posted in the production of the various kinds of Pictures, I flatter myself that my work is not excelled by any in this section of the country.

Among the various kinds taken at my Rooms are the

*AMBROTYPE, PHOTOGRAPH, MELAINOTYPE, NEILLOGRAPH.*

Locket Pictures down to the smallest sized miniature Ring. Transfered Ambrotypes—the finest thing out, for sending by Post to any part of the World without extra postage. My Pictures are bold, vigorous, and expressive—not those faint, lifeless shadows often sold about the country. Pictures taken in all kinds of weather, equally well, except those of young children. No picture need be taken unless perfect satisfaction is given.

In dressing for a picture, avoid light colors,—such as blue, purple, scarlet, pink, etc. Most others take well; as green, black, snuff, brown, orange, yellow, etc.

☞ Remember that the place to get your "picture" is in the Brick Block, over Read, Watrous & Foster's store.

GROVER & BAKER

*CELEBRATED NOISELESS*

SEWING MACHINES,

FOR FAMILY AND MANUFACTURING USE,

**495 Broadway, New-York.**

*Agencies in all the principal Cities and Towns in the United States.*

The Grover & Baker S. M. Co. beg to call the attention of the public to their recently introduced

NOISELESS FAMILY AND MANUFACTURING
SEWING MACHINES,

MAKING THE SHUTTLE OR LOCK STITCH.

These machines combine all the latest useful improvements in sewing machinery, and are highly recommended for their

**Simplicity of Construction;**
**Noiselessness; Rapidity;**
**Ease of Management;**
**Capacity for all kinds of work,**
**And Beauty and Regularity of Stitch.**

Various styles of these machines adapted to the house or workshop will be found at the different agencies of the company throughout the United States. Their new

SHUTTLE MACHINE FOR TAILORS' USE,

The latest triumph of the sewing machine art—noiseless, rapid, and easily operated—will commend itself to those who use such machines for manufacturing clothing.

Grover & Baker Machines,
MAKING THE
GROVER & BAKER STITCH.

These justly-celebrated machines, adapted to all the wants of the household and manufactory, continue to maintain the pre-eminence which the almost universal verdict of the public has awarded them. The well-known

STRENGTH, ELASTICITY, & DURABILITY,

of the Grover & Baker Stitch will always insure these machines the preference for family use, for the manufacture of such goods as are intended for wear—for use and not for show.

☞ Wherever the Grover & Baker Stitch Machines have exhibited and fairly judged in competition with the leading Sewing Machines in the market, including the Wheeler & Wilson, they have invariably borne off the first premium.

This assertion is confirmed by the decision of the committees of the State Fairs of

ILLINOIS, OHIO and MICHIGAN,

recently held, which awarded the first premium to the Grover & Baker Machine over all others in competition.

Read letter from Rev. James Temple.

PHILADELPHIA, June 9th, 1858.

Prof. De GRATH: I have been afflicted for thirteen years with Neuralgia and other painful complaints, and I have been unable to sleep soundly or walk any distance for many years past. Last week I got a bottle of your Electric Oil. The first night I slept soundly and well, and today I am like a new man. My wife could not believe her eyes. Your Electric Oil has done in one week what the physicians of Philadelphia failed to do in thirteen years. Gratefully yours,
REV. JAMES TEMPLE,
210 South street.

**Reliable Testimony.**

*We call the attention of the reader to the following letter from President Smith, formerly of Wesleyan University, and now of Annapolis, Md.*

MIDDLETOWN, Conn., Feb. 28, 1859.

SETH W. FOWLE & CO.—Gentlemen:—I first made use of the *Oxygenated Bitters* some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending recommendation of Dr. Green, "to try one bottle, and if no benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as most persons. These Bitters have also been of service to other members of my family.

Very respectfully yours,
AUGUSTUS W. SMITH.

RICHMOND, Tioga Co., Pa., Aug. 25, 1858.

GENTLEMEN,—After suffering for more than *thirty years* with *Dyspepsia*, and trying many remedies recommended for that disease, without any good result, I was inducted, *by* Dr. F. H. White of Mansfield, to give the *Oxygenated Bitters* a trial. I took two bottles, which gave me so much relief that I purchased two more, which have nearly or quite effected a cure. I am now nearly seventy-five years of age, and for three months past have felt no inconvenience from my food. I take great pleasure in recommending the Bitters to all afflicted with Dyspepsia and its concomitant diseases.

A. HEBARD

From Dr. White.

MANSFIELD, Tioga Co., Pa., Aug. 26, 1858.

I have used the *Oxygenated Bitters* in my practice with decided success in debility and general prostration, &c., and confidently recommend them in general debility, and diseases of the digestive organs.

## AYER'S
## CATHARTIC
## PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, sufferings, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well-known public persons.

*From a Forwarding Merchant of St. Louis, Feb. 4, 1856.*

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

**As a Family Physic.**

*From Dr. E. W. Cartwright, New Orleans.*

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

**Headache, Sick Headache, Foul Stomach.**

*From Dr. Edward Boyd, Baltimore.*

DEAR BRO. AYER: I cannot answer you *what complaints I have cured* with your Pills better than to say *all that we ever treat with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have
