MARRIAGES. At Harford, on the 17th, by Rev. A. Miller, Mr. Ambrose W. Stiles, and Miss Margaret F. Classin, both of Gibson.

## OBITUARY.

At the regular meeting of Warren Lodge No. 240, A. Y. M., on Thursday, July 10th, 1862, Geo. L. Stone announced to the Lodge the death of Bro. JOSEPH A. Berne, one of the volunteers in the Un-GROCERIES ion army, who died at Beaufort, S. C., June 15th, 1862; whereupon the following resolutions were unanimously adopt-

Resolved, That we have heard with Joseph A. Beebe, a respected member of this Lodge, who cheerfully went forth to uphold the flag of his country, and main don't want, and get value received tain the Constitutional liberty of which that flag is the emblem.

Resolved, That we tender to the family and friends of the deceased our sympathy with them in the bereavement they have been called upon to sustain; and that we attend the funeral of our deceased brother on Sunday, July 13th.
Resolved, That the Secretary cause

these resolutions to be published in the Montrose papers; and to transmit an attested copy of the same to the family of JAMES W. CHAPMAN, Sec'ry.

'Unquestionably the best Sustained. Work of the kind in the World." HARPER'S NEW MONTHLY MAGAZINE.

The volumes bound constitute of themselves a library miscellaucous reading such as cannot be found in the me compass in any other publication that has come un our notice,—[Bo-ton Courier.
The most popular Monthly in the world.—[N. Y. Ob-The most popular Monthly in the words.—15, a conserver.

We must refer in terms of culony to the high tone and varied excellences of Hanrigh's Madaring—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work has an evidence of the American People; and the popularity it has acquired is merited. Each-Samber contains fally 144 pages of reading matter, appropriately illustrated with good wood-cute; and it combines in itself the race; monthly and the more philipsophical quarterly, blended with the best features of the daily journal. It has a great power in the dissemination of a love of pure has a great power in the dissemination of a love of pure literature.—TRUBNER's Guide to America Literature. No Magaziac in Europe or America is so well known; none has half as many readers; and we may safely may, none has received so large a tribute of admiration from the cultivated classes, that delight in a healthy, diversi-fied elevating periodical literature. It is the foremost Magazine of the day. The fire-ide never had a more de-lightful companion, nor the million a more enterprising friend, than Harper's Magazine.—Methodist Protestant.

TERMS.

The Magazine may be obtained of Booksellers, Periodical agents, or from the Publishers, at Tungg Bottains aver, or Twesty-Five Crity a Number. The semi-annual Volumes, as completed, nearly bound in cloth, are sold at Two Bollars each; and missin covers are furnished to those who wish their back numbers uniformly bound, at 25 cents each. Twenty-three Volumes are now reads, bound in cloth, and also in half calf.

The Publishers will supply Specimen Numbers gratuitously to Agents and Postunasters, and will make liberal arrangements with them for circulating the Magazine. They will wise supply Clubs of Two Persons at Five Dollars a year, or Five Persons at Ten Dollars. Clergymen and Terchors supplied at Two Dollars a year.

Harper's agazine and Harper's Weekly, one year, \$4. The Magazine weighs over seven, and not over eight ounces. The postage on each number, which must be paid quarterly, in advance at the office where the Magazine is received, is Three Cents.

REPORT OF SOLON ROBINSON. OF THE NEW YORK TRIBUNE, VINELAND SETTLEMENT.

The following is an extract from the report of Solon Robinson. Esq., published in the New York Tribute, in reference to Vincland. All persons can read this report with interest. this report with interest.

Advantages of Farming near Home—Vineland—Remarks upon Marl—Soil, its great, Pertility—The Cause of Fertility—Amount of Crops; Produced—

Cause of Fertility—Amount of Crops; Produced—Practical Evidence.

If is certainly one of the most extensive fertile tracis, in an almost level position, and suitable condition for pleasant farming that we know of this side of the western prairies. We found some of the oldest farms apparently just as profitably productive as when first cleared of forces fifty or a bundred years ago.

The geologist would soon discover the cause of this continued fertility. The whole country is a marise deposit, and all through the soil-we found evidences of calcarcous austiles of the certainty formation; and this marly substance, generally in the form of indulated calcarcous marl, showing many distinct formes of ancient is exactly for the terriary formation; and this marly substance. Selected all through the soil-wise of cultivate.

In the city of the Institution is solely to afford vessey to the object of the Institution is solely to afford vessey in the following the various departments of the various departments; Commercial Law, Mathematica, Navigation, Civil Engineering, Drawing, Phonography, and Gerra Languages.

The system of instruction is peculiar; no classes ex set elevants and in the exact condition most cashly assimilated by such plants as the farmer desires to cultivate.

Mart, in all its formshas been used to fertilize crops in Radiand, from the time it was occupied by the Romans and in France categories and spread over the field. How much more valuable them is a valuable bed of manure, that can be dug and carried in France commendation, wide-spread reputation, and the marticular of terms, &c. and may be obtained at any time by addressing the Principal; this Institution is solely to afford vessey than the various departments of the various departments; Crommercial Law, Mathematica, Navigation, Civil Engineering, Drawing, Phonography, and Gerra Languages.

The system of instruction is peculiar, no classes exert elevance are made to the various departments; Commercial Law, Mathematica, Navigation, Civil Engineering, Dr

a valuable bed of maners, but can be due, and carted, and agreed over he field. He will have indeed the head. How many the head and agreed over the field. He will be farmed up and expowed, and the third that the head of the state of the head of the state of the head of

tiful.

Other portions have been planted with corn as a first crop, which yielded thirty bushels of yellow fifur corn, and the second crop forty-bushels, and the third crop, treated 150 pounds of grano, we are sure no one would estimate below forty bushels per acre.

The reader will recollect that the writer is now speaking of lands perfectly new, and which can scarcely be considered in good arable condition.—En.]

ing of lands perfectly new, and where the teachers be considered in good arable condition.—En.]

In other cases the corn crop of last year was followed
with oats this season, not yet threshed, but will average,
probably forty to fifty bushels. Sweet pointoes, beams,
mellons, and in fact, all vegetables, as well as young
peach and other fruit trees planted this year, show vory
plainly that this long neglected tract of land should fomains on clonger, and there is now a strong probability
that it will not; for ander the auspices of Mr. Landis; it
will be divided into small lots, with roads located to accommodate all—the surveyor la now busy at this work
—and all purchasers will be required to build neat comfortable houses, and either fence their lots in uniformity;
or agree to lite without fence, which would be preferable, by which means a good, population will be accured
who will establish churches, schools, storer, mills, machine shops and homes—homes of American farmers, surrounded by gardens, orchards, fields and comforts of civilized life...

If any one, from any derangement of business, is desirilized life.

If any one, from any derangement of business, is desirous of changing his pursuits for life, or who is from any
cause desirous to find a new location and cheap home in
the country, and who may read and believe what was have
truly stated, he will do well to go and see for himself what
may be seen within a two hours ride of Philadelphia.

SOLON ROBINSON.

ABEL TURRELL S now prepared to cure every case of SCROFULA in the Country, and he has a Remedy for nearly every ill o which firsh is heir. Call at the GREAT MEDICINE EMPORIUM of ABEL TURRELL, and be availed of the henefits dis-pensed. Montrose, July 17, 4861.

KEROSENE LAMPS A splendid assortment just recedive. Chimnies, shades burners, wicke, etc., at Turrell's. RICH AND PRODUCTIVE FARM LANDS FOR SALE, twenty-two miles South of Philadelphia, in the Garden State of the East. Best climate and location for markets in the Union, (She advertisement of Vincland.)

CRITTENDEN'S PHILADELPHIA COMMERCIAL COLLEGE.

N.E. corner of 7th & Chestnut Sts., This Institution, which was established in 1844, and

lion offers facilities superior to any offers facilities and to obtain at the same time a Diploma, which will prove a recommendation for them to any Mercantile House. 27 Criticaden's Series of Treatises on Book-keeping, now more widely circulated than any other work on the subject, are for sale at the College.

S. HODGES CRITTENDEN,

Alterney-at-Law,

PRINCIPAL.

Why the Property has not Been Settled Been forc.

This question the reader naturally asks. It is because it has been held in large tracts by families not disposed to sell, and being without railroad facilities they had few inducements. The railroad has just been opened thre' the property this reason, for the first time.

Visitors are shown over the land in a carriage, free of expense, and allorded time and opportunity for thorough investigation; Those who come with a view to settle, a should bring money to secure their purchases, as locastions are not held upon refusal, tions are not held upon refusal, where people have been thrown out of employment or business, and possess some little means or small incomes, is to start them-edicas dome. They can buy a piece of land at a small price, and earn more than wagest in improving it, and the waters in fruit trees will insure a comfortable living. The land is put down to hard-time prices, and all improvements can be made at a cheaper rate at most any other time.

The whole tract, with six miles front on the railroad, is being laid out with fine and spacious avenues, with a town in the center-divager lots in the town sells if form being kid out with fine and spacious avenues, with a town in the centre—five acre lots in the town sellat from \$150 to \$200; two and a half acre lots, at from \$20 to \$120, and town lots 50 feet front by 150 feet deep, at \$100—pay, able one-half cash and the balance within a year. It is only upon tarms as a many time is given.

TO MANUFACTUREBS, the town affords a fne opening for the SHOE manufacturing business, and other articles, being near Philadelphia, and the surrounding country has a large population, which affords a good, country has a large population, which affords a good, market.

This actionment, in the course of servisi years, will be one of the most beautiful places in the country, and most agreeable for a residence.

It is intended to make it a Vino and Fruit growing country, as this culture is the most profitable and the best adapted to the market. Evry advantage and cost-best adapted to the market. Evry advantage and cost-best of the settions will be introduced which will sure line prosperity of the place. The hard times through out the country will be an advantage to the settlement, as it compels people to resort to agriculture for a living. as it compels people to reasts to agriculture for a livling.
Large numbers of people are purchasing, and people
who desire the best location should visit the place at once.
Improved Land is also for sale:
ITIMERIC—Landcan he bought with or without timber. The Timber at market valuation.
The Title is, indisputable. Warrantes deeds given,
clear of all incumbrance, when the money is paid.
Boarding conveniences at hand.
Letters prompily answered, and reports of Solon Robinson and Wm. Parry sent, together with the "Vinciana
Rival."
Route to the land —Leave Walout s. reat wharf. Philis.

Rural."

Route to the land:—Leave Waltuit street wharf. Philadelphia. at 2 o'clock. A. M., and 4 P. M., (unless there should be a charge of hour,) for Vineland, on the Gissborg and Millyflie Railroad. When you leave the cary at Vine and Station, just opened, inquire for CHAE & LANDIS, Possure Pounder of the Vinenana P. O. Cumberiana County N. J.
