Having inherited a Scrofnions infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and Arms, sometimes it urned inward and distressed me at the stomach. Two years ago it broke out on my hand and covered my scalp my description. I tried many medicines and arerer physicians, but without much relief from any thing. In het, the disorder grew worse. At length I was rejored in alterative (Saraparilla), for I knew suffered in alterative (Saraparilla), for I knew suffered in alterative (Saraparilla), for I knew from your repar-intion that any thing you made must be good. I sent to Checking on the form and the stored me. I took, it, as you advise, it small dose of a teapoontul over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feeling that the discans is gone from my system. The Rev. Jacob Sechler,

Well known and much respected among the German popu-lation of this country, makes the following statement for

MASUPEL, TA, FED. IC, ICS. Messra, S. W. FOWLE & Co., Bostun, -- Dear Sist: Having realized in my family important benefits from the use of your valuable preparation, WISTAR'S BAL-KAM OF WILD CHERRY, it affords me pleasure to NULD CHERRY, it affords me pleasure to

recommend it to the públic. Some eight years age one of my daughters seemed to be in a decline, and little

hopes of her recovery were entertained. I then pro-

sured a bottle of your excellent Balsam, and before she cured a bottle of your extention inductions and had taken the whole of the contents of the bottle there was a grist improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I

could however, caution the public against imposition, be cause there is a good deal of spurious Wister's Balsam of Wild Cherry aftoat throughout the country. JACOB SECHLER.

Conghs, Colds, Influenzo, Hoarseness, Cronp, Bronchitis, Incipient Consump-tion, and for the Relief of Consump-tive Patients, in advanced stages of the Disease. From the St. Louis Democrat.

This is a remedy so universally known to surpass any other for the cure of threat and hung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs/and colds, and its truly wonderfail cures of pulmonary disease, have made it known throughout the evilized nations of the earth Few are the communities, or eyen fumilies, among them who have not some personal oxperience of its effects— some living trophy in their mists of its vietory over the suble and dangerous disorders of the threat and lunges. As all know the dreadful failing of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them thin it has now all the vir-tues that it did have when making the cures which have won-so-strongly upon the confidence of makind.
