I am truly, your obedient servant,
CHARLES DENISON.

Charles Denison, Esq. Of Charles Denison, the nominee for Congress, it is almost unnecessary for us personally to speak. Born and reared in our midst-one of a family whose traditionary history is familiar to every child who has ever read or heard of the history of this valley-and whose own name has been regarded as the symbol of hono among our people for over a quarter of a century, were our own county the entire task especially to refer to him. But as our brethren of Susquehanna have lately been attached to us, it will not be amiss to state that Charles Denison is one of the the Democratic party, he has never been a noisy politician or an aspirant for office. His own modest worth has been the true carnest effort of his heart and mind will Gr't Bend boro, 129 be directed to the end of bringing back our country to its pristine prosperity, his whole life affords ample assurance.-Lu-

Wilmot's tyranny and fanaticism has ruptured the Republican party in old Bradford. The unfair nomination of the fanatic Landon, for Congress, has caused a destructive bolt, which has resulted in the nomination of Hon. H. W. Tracy, one of the ablest and most popular men in the party. The utter defeat of the Wilmot faction is claimed by the "insurgents."

A majority of the people in this new district desire to defeat Mr. Grow, and to see that the work is done is now the privilege and duty of the humblest Congressional-J. I. Merriman, John citizen. Adjutant-General. Special Instructions Relative to the Draft.
The following circular was to day ad-

dressed to the different Military Commissioners of the State: EYECUTIVE CHAMBER, Harrisburg, Sept. 6, 1862. Commissioner for — County,
Sin :—You will herewith receive a copy of General Orders No. 121, issued by the War Department, giving particular instructions as to the care and organization of drafted men or of volunteers received in lieu of drafted men. You will examine the orders carefully and carry out their

directions faithfully. The quota for your country to fill the several requisitions made upon this State

by the War Department is -APPORTIONMENT OF THE QUOTAS. You will apportion this quota to the different townships, boroughs and wards in your county, in accordance with the enrollment made by the Marshal, of men subject to military duty. It will not be made, however, untill the appeals are held and the claims to exemption are decided, as it cannot be justly apportioned until the exact number of men actually subject to military duty in each district is ascer-

tained. GREDET FOR MEN IN SERVICE. When the proper proportion of each sub division of the county is determined, in accordance with the men actually subject to military duty, you will ascertain from the circollment the number of men each district has now in the service, and credit it therewith on its quota. In this credit, men enlisted in the regular army, in the marine service, blacksmiths, bridge builders, carpenters, teamsters, clerke, &a. and men enlisted in regiments or conquanies organized under the laws of other States, are not to be embraced. You will credit only for men enlisted in the volunteer regiments and companies and recog-

nized and commissioned by the Governor of this State.
You will also observe carefully to guard against the same men being credited in two districts. In some instances, young men whose parents reside in one district have been laboring or temporarily residing in another, and there enlisted: and they may be credited on the enrollment in both. When you detect any such case, give the credit to the district where the person enlisting was pursuing his lawful calling or residing at the time he enlisted, without regard to the residence of

his parents.

SURPLUS OF QUOTAS. If any district in your county have furnished more than their quota, you will ascertain the aggregate of such excess and apportion it as a credit to the other districts in the county, in accordance with

the eurollment. If any companies or squads of men in your county have been mustered into the service of the United States since the enrollment was made, you will, if possible, procure copies of the rolls of such companies or squads, and credit them to the proper districts in which the men re-

MINORS EXEMPT.

· Although the orders of the War department require the enrollment of all nen between the ages of eighteen and forty-five years, the militia laws of this State exempt from military duty all persons under twenty-one years. You will therefore, when holding appeals, crase under twenty-one years. You can examine such persons under oath when you are not otherwise satisfied.

NOTICE BY HAND-BILLS.

You will at once give notice by handbills, that on the 15th day of September midst, even if our government should tail quota, unless the district furnishes the men as volunteers on or before that day. State in your handbills distinctly, that Please be on hand early the first day to each district can offer volunteers to fill assist in arranging an order of exercises; its quota on the day the draft is to be made, and thus obviate the draft.
