Importer, Manufacturer of and Dealer in all kinds of *FANCY FURS*, for ladies and children's wear.

I wish to return my thanks to my friends of Susquehanna and surrounding counties for their very liberal patronage extended to me during the last 9 years, and will say to them that I have now in store, of my own importation and manufacture a very extensive assortment of fancy furs, for ladies and children, that will be worn during the Fall and Winter seasons.

Being the direct importer of all my Furs from Europe, and having them all manufactured under my own supervision, enables me to offer my customers and the public a much better assortment and better set of Furs for the same money.

Ladies call and give me a call before purchasing! Please remember the name, number and street.

UNIVERSAL CLOTHES WRINGER.

No. 8. Large Hotel do	11 00
No. 18. Medium Laundry, (to run by steam)	18 00
No. 22. Large do or hand,	30 00

Nos. 2½ and 3 have no Cogs. All others are warranted. No. 2 is the size generally used in private families.

Orange Judd, of the "American Agriculturist," says of the UNIVERSAL CLOTHES WRINGER:

"A child can readily wring out a bushel of clothes in a few minutes. It is in reality a clothes saver. A time saver! and the strength saver! The saving of garments will alone pay a large per centage on its cost. We think the machine much more than pays for itself every year in the saving of garments! There are several kinds, nearly alike in general construction, but we consider it important that the Wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank-shaft slip and tear the clothes, or the rubber break loose from the shaft.—Our own is one of the first make, and it is as good as new after nearly four years' constant use."

Every Wringer with Cog Wheels is warranted in every particular. No Wringer can be durable without cog-wheels.

A good Canvasser wanted in every town.

☞ On receipt of the price from places where no one is selling, we will send the Wringer free of expense.

THE ALL SUFFICIENT THREE
The Great "American Remedies,"
Known as Helmbold's

GENUINE PREPARATIONS, Viz:

HELMBOLD'S EXTRACT "BUCHU."
SARSAPARILLA.
IMPROVED ROSE WASH.

HELMBOLD'S GENUINE PREPARATION,
"Highly Concentrated" Compound

Fluid Extract Buchu,

A positive and Specific Remedy for diseases of the Bladder, Kidneys, Gravel, and Dropsical Swellings.

This Medicine increases the power of digestion, and excites the absorbents into healthy action, by which the watery or calcerous depositions, and all unnatural enlargements are reduced, as well as pain and inflamation, and is good for man, woman or children.

HELMBOLD'S EXTRACT BUCHU

FOR WEAKNESSES

Arising from Excesses, Habits of Dissipation, Early Indiscretion, or Abuse,

Attended with the following symptoms:

Indisposition to Exertion,	Loss of Power,
Loss of Memory,	Difficulty of Breathing,
Weak Nerves,	Trembling,
Horror of Disease,	Wakefulness,
Dimness of Vision,	Pain in the Back,
Universal Lassitude of the Muscular System,	Flushing of the Body,
Hot Hands,	Eruptions on the Face,
Dryness of the Skin.	Pallid Countenance,

These symptoms, if allowed to go on, which this medicine infallably removes, soon follow

IMPOTENCY, FATUITY, EPILEPTIC FITS,

in one of which the patient may expire. Who can say that they are not frequently followed by those "direful diseases."

Insanity and Consumption.

Many are aware of the cause of their suffering, but none will confess. The records of the insane asylums and the melancholly deaths by Consumption, bear ample witness to the truth of the assertion.

The Constitution, once affected with organic weakness,

Requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. A trial will convince the most skeptical.

Females, Females, Females,

Old or young, single, married, or contemplating marriage,

In many affections peculiar to Females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention, Irregularity, Painfulness, or Suppression of the Customary Evacuations, Ulcerated or Schirrous state of the Uterus, Leuchorhea or Whites, Sterility, and for all complaints incident to the sex, whether arising from Indiscretion, Habits of Dissipation, or in the

DECLINE OR CHANGE OF LIFE.

SEE SYMPTMS ABOVE.

NO FAMILY SHOULD BE WITHOUT IT.

Take no Balsam, Mercury, or unpleasant medicine for unpleasant and dangerous diseases.

HELMBOLD'S EXTRACT BUCHU

CURES SECRET DISEASES

In all their stages; at little expense; little or no change in diet, no inconvenience,

AND NO EXPOSURE.

It causes frequent desire, and gives strength to Urinate, thereby removing obstructions, preventing and curing Strictures of the Urethra, allaying pain and inflammation, so frequent in this class of diseases, and expelling Poisonous, diseased, and worn-out matter.

Thousands upon Thousands

WHO HAVE BEEN THE VICTIM OF **QUACKS,**

And who have paid HEAVY FEES to be cured in a short time, have found they were deceived, and that the "Poison" has, by the use of "Powerful Astringents," been dried up in the system, to break out in an aggravated form, and

PERHAPS AFTER MARRIAGE.

USE

HELMBOLD'S EXTRACT BUCHU

For all Affections and Diseases of

The Urinary Organs,

Whether existing in MALE OR FEMALE from whatever cause originating, and no matter

OF HOWLONG STANDING.

Diseases of these Organs require the aid of a Diuretic.

HELMBOLD'S EXTRACT BUCHU

IS THE GREAT DIURETIC,

And it is certain to have the desired effect in all Diseases, for which it is recommended.

BLOOD! BLOOD! BLOOD!

Helmbold's Highly Concentrated Compound

Fluid Extract Sarsaparilla,

SYPHILIS.

This is an affection of the Blood, and attacks the Sexual organs, Linings of the Nose, Ears, Throat, Windpipe, and other Mucus Surfaces, making its appearance in the form of Ulcers. Helmbold's Extract Sarsaparilla purifies the Blood and removes all Scaly Eruptions of the Skin giving to the Complexion a Clear and Healthy Color. It being prepared expressly for this class of complaints, its Blood Purifying Properties are preserved to a greater extent than any other preparation of Sarsaparilla.

Helmbold's Rose Wash.

An excellent Lotion for Diseases of a Syphilitic Nature, and as an injection in Diseases of the Urinary Organs, arising from habits of dissipation, used in connection with the Extracts Buchu and Sarsaparilla, in such diseases as recommended.

Evidence of the most responsible and reliable character will accompany the medicines.

Lies in wait, taint or infection which we call SCROFULA lurks in the constitutions of millions of men, it either produces or is produced by, an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases which it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: **King's Evil or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses,** and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of *Sarsaparilla* in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of *Sarsaparilla*, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL,

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
