Scrofulz depresses the vital energies, and thus leaves its vic times far more subject to disease and this featers in vio-times far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average dura-tion of human life. The vast importance of these considerations has led us to spend years in perfect considerations has to us to spend years in persec-ing a remedy which is ad-quate to its cure. This we now offer to the public, under the name of ATEL'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Furge out the foul corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers
