most steadfast and uncompromising loyalists of the Shore. The countyjail was entered, the jailor seized, imprisoned, and af-terwards sent to Baltimore, and prisoners confined therein under indictment were set at liberty. The commanding of ficer referred to gave the first clue to the character of disloyalty against which he considered himself as particularly commissioned by printing and publishing a proc-lamation in which, referring to the election to take place the next day, he invited all the truly loyal to avail themselves of that opportunity and establish their loyalty "by giving a full and ardent sup-port to the whole Government ticket upon the platform adopted by the Union League Convention," declaring that "none other is recognized by the Federal anshorities as loyal or worthy of support of any one who desires the peace and restoration of the Union."

To secure the election of that ticket seemed to be the business to which he and his officers especially devoted them. selves throughout the day of election. In the statements and certificates which shave been forwarded to me from different shave been forwarded to me from amerent to the Chicago convention, and an electo- "Without newspippers, the Democracy acousties in that Congressional district, I to the Chicago convention, and an electo- would be without an organization and at account of part only of the outrages to which their citizens were subjected. The "Government ticket" above referred to, was in several, if not all of these counties, designated by its color; it was a yellow ticket, and armed with that, a voter could safely run the gauntlet of the sabres and lowed to vote unquestioned if they would vote that tieket, whilst loyal and respected citizens. ready to take the oath. were surned back by the officers in charge without even allowing them to approach

the polls. In one district, as appears by certificate from the judge, the military officer took his stand at the polls before they were opened, declaring that norte but the "yel--low ticket" should be voted, and excluded all other throughout the day. In another district a similar officer caused every ballot offered to be examined, and unless it was the favored one, the voter was required to take the oath and not otherwise. And in another, after one vote only had been given, the polls were closed, the judges all arrested and sent out of the their organs, but they cannot harm him. county, and military occupation taken of the town.

espitulation of all the abuses that these statements disclose, I have caused copies of them to be transmitted to you, and they cannot fail to arrest your attention. They present a humiliating record, such is I had never supposed we should be called upon to read in any State, still less Ist November.
