candidate received the residue, being but a little more than one-third of the actual vote of the State. This fact, connected with the means taken to defeat Mr. Wickliffe, is a startling presumptive evidence that he would have received a majority of the votes had there been a free election. And the same means which defeated him, placed in Congress and in the State Legislature many members who now hold their seats not by the will of the people, but by federal bayonets.

And what do we hear now? The Secretary of War in reply to a call from the Senate for a copy of all orders issued from his Department touching these elections, reports that no such orders were issued. If there were no orders from the Secretary of war, the General-in-Chief, or the President, every officer who participated in these outrages, ought to be cashiered and driven from the army in disgrace. But has any one of them been punished, reprimanded or censured? NOT ONE.

There is a mystery here which demands from Congress a most searching investigation. As friends of the white man's liberty, will they not make it?

In my next, I propose to treat of the last Maryland election.

ANDREW JACKSON.

February 9th, 1864.

Republicanism and Miscegenation.

A recent book, printed by the political friends of the administration says:

"When the President proclaimed emancipation *he proclaimed also the min-*
"*gling of the races.*" The one follows the "other as surely as noonday follows sun-
"rise."

"And now behold! the great Republican party has merged into the little Abolition party. The drop has colored the "bucketfull. *There are only two parties now,* "the Abolition, which is in effect the par-"ty of Miscegenation, and behind them "that contemptible crowd who fear the "South and have no policy for the North "but expediency. Why did abolitionism "swallow Republicanism! Because it "was founded on principles that *approach* "*nearer the truth.*

Plain Talk.

The Albany *Statesman*, a Republican paper, has become so disgusted with the corruption and dishonesty of administration officials and partizans, that it speaks out in the following energetic terms:

A pack of sharks, hungry, villainous and incorrigible, have fastened upon the public Treasury and depleted it at the rate of millions monthly; that the patronage of the Federal Government has been bestowed upon those with whom the electors, if allowed an exercise of choice, would have absolutely refused all dealings, until high places of trust are held by known and convicted cormorants, and men drive fast horses and live in free-stone houses purchased with United States greenbacks, who ought to be pegging shoes in State Prisons.

This is the way in which "Honest Old Abe" has restored the Government to "the purity of the fathers."

☞ The Rev. James A. Kibbe, a methodist clergyman located in Hampden co. Massachusetts, was caught recently in the sleeping apartments of a young girl by her father, who was one of Kibbe's parishioners. As the only garment the parson had on was a shirt, and the time was midnight, the case looked slightly suspicious, more especially as he was found armed with a dirk and a loaded revolver, neither of which, however, he attempted to use. Of course, he had an explanation to offer; but the only part of it which is likely to interest the public is the following: We quote from the Springfield *Republican*: "With regard to the revolver and dirk, he says that he belonged to the Union League, every member of which is obliged to carry such weapons."

☞ The teachings of Miscegenation-Abolitionism is bearing fruit. Recently the wife of a soldier in the 97th Pa. Vol., residing in East Whiteland, Chester Co., eloped with a negro, carrying off with her two or three hundred dollars of her husband's money, intended for the support of the family.

But that's nothing to the production of 54 mulatto babies, the first year's crop of the loyal school marms sent by Old Abe from Massachusetts to keep school among the darkies, at government expense. The *intensity* of these spinsters seems to have become so intense that not content with teaching contrabands, they have gone to raising 'em!

☞ The Albany *Statesman* (Republican) says: "Unless Secretary Chase makes it a point to select all his assistants from the penitentiary, we cannot possibly account for the vast number of unmitigated rascals which we find in the Treasury and Revenue Departments. Almost every day some pet of the Secretary is arrested, either for grand larceny or fraud."

☞ The Springfield (Mass.) *Republican*, an Administration newspaper, says: "Neither the administration nor its party can stand under the load of this rank corruption. There is no need of it. It is not their load unless they make it so. If no honest and thorough effort is made to ferret out, expose and punish the thieves, then the administration will be justly held responsible for their crimes."

Ayer's SARSAPARILLA,

THE WORLD'S GREAT REMEDY

FOR

SCROFULA AND SCROFULOUS DISEASES.

From Henry Eder, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an inflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. John F. Rice, a well-known and much-esteemed Lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of enamelled papers in Haskell, N. H.

"I had, for several years a very troublesome humor in my face, which grew constantly, worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Swain, Houston St., N. Y.

DR. AYER: I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wilkeson, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Moore, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general *debility*, and for *purifying the blood*, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tuskaloosa Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Nothing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Sloat, of St. Louis, Missouri.

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis*, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. AYER—My dear Sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Hew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or *mercurial disease*, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness,

are generally produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

Rheumatism Gout, Liver Complaint, Dyspepsia Heart Disease Neuralgia,

when caused by *Scrofula* in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S

CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been and that they may be depended on to do all that they have ever done.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of 3 bottles of these bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for 8 months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN.

ATTENTION, SOLDIERS!

And the Friends of Soldiers.

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on arrival of the sick, it will be noticed that a very large portion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in saying that if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters:"

PHILADELPHIA, August 23d, 1863.

Messrs. Jones & Evans:—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were cognizant of all the circumstances of my case. I am, and have been, for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in Nov. last, with inflammation of the lungs, and was for 72 days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," where I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I managed to force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Stein born, of 6th below Arch street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for 18 months: for gentlemen, I am a loyal Virginian, from vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the fortold privilege of again clasping to my bosom those who are d
