The Destruction of Newspapers by Mobs.

In reference to the recent destruction of a newspaper in Ohio, by an abolition mob, the Columbus Crisis, says :

"We are satisfied that there has not been a mob of this sort anywhere, that has not been planned and instigated by the leading and wealthy Republicans and loyal league officials. This should never be overlooked and the names of these guilty instigators of mobs should be carefully preserved so that there need be no mistakes made. It is a matter of remark that nearly every one of wealth and prominence who encourage these mobs.—They are the oligarchy of our State and of liberty, constitutional government and the white laboring man. They care nothing more about the negro than simply as a means to accomplish their ends in destroying the poor white man and getting rid of his influence in elections, and to prevent his influence in framing the policy of our Government in the protection of the white man's rights as a free citizen.—These things should not be forgotten or mistaken."

Every word true. This town is cursed with several just such characters as are alluded to, in the above extract. The language they have used, and the threats they have made against this office, have been carefully noted down so that at the proper time, should they seduce any dastardly ruffian or ruffians into carrying out their designs we shall know exactly where to place the blame, and where to seek redress for any wrongs. As it is, we despise these cowardly poltroons, who daily waste their breath in anathematizing the editor of this paper and the Democratic party.—*Exchange*.

Harpers' New Monthly Magazine.

"Unquestionably the best sustained work of the kind in the world."

Critical Notices of the Press.—The volumes bound constitute of themselves a library of miscellaneous reading such as cannot be found in the same compass in any other publication that has come under notice.—*Boston Courier.*

The most popular Monthly in the world.—*New York Observer.*

We must refer in terms of eulogy to the high tone and varied excellencies of *Harper's Magazine*—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American people; and the popularity it has acquired is merited. Each number contains fully 144 pages of reading matter, appropriately illustrated with good cuts; and it combines in itself the tacy monthly and the more philosophical quarterly, blended with the best features of a daily journal. It has great power in the dissemination of a love of pure literature.—TUCKER'S *Guide to American Literature, London.*

No magazine in Europe or America is so well known: none has half so many readers: and, we may safely say, none has received so large a tribute of admiration from cultivated classes that delight in a healthy, diversified, elevating periodical literature. It is the foremost Magazine of the day. The fireside never had a more delightful companion, nor the minilon a more enterprising friend than *Harpers Magazine.—Methodist Protestant* (Baltimore.)

Terms—The papers of permanent value which have been published in almost every number render a complete set of *Harper's Magazine* a desirable acquisition to any public or private library. The publishers can supply complete sets, or any number from the commencement. For Twenty-five cents they will send any number, by mail, post paid. Any volume, containing six numbers, bound in muslin, will be mailed, post-paid, to any place in the United States within 1500 miles of N. York, for Two Dollars and Fifty Cents. Complete sets, comprising Twenty-five volumes, will be sent by Express, the freight at the expense of the purchaser, for One Dollar and Eighty-eight Cents per Volume.

One Copy for one year, $3,000; Two Copies for one year, $5,00; *Harper's Magazine* and *Harper's Weekly*, one year $5,00. And an Extra Copy, gratis, for every Club of Ten Subscribers, at $2, 50 each; or, 11 copies for $25.

Clergymen and Teachers supplied at $2,50 a year. The Semi-Annual Volumes bound in cloth, $2, 50 per volume. Muslin Covers, 25 cents each, *Nett*. When ordered to be sent by Mail Eight Cents additional must be remitted for postage.—The postage upon *Harper's Magazine* must be paid at the office where it is received. The postage is Thirty-six Cents a year or Nine cents for three months.—Adress, Harper & Brothers, Franklin Square New York.

Ayer's SARSAPARILLA

THE WORLD'S GREAT BLOOD PURIFIER

FOR

SCROFULA AND SCROFULOUS DISEASES.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray, & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew continually worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time, but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Sawin, Houston St., N. Y.

DR. AYER: I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Waterman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general *debility*, and for *purifying the blood*, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tuskhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Sloat, of St. Louis, Missouri.

"I find your SARSAPARILLA a most effectual remedy for the secondary symptoms of *Syphilis*, and for syphilitic disease than any other we possess. The profession are in debted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DR. AYER—My dear Sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the *primary* and *secondary* type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or *mercurial disease*, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness,

are generally produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely celebrated Dr. Jacob Morritt, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cures of irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

Rheumatism Gout, Liver Complaint, Dyspepsia Heart Disease Neuralgia,

when caused by *Scrofula* in the system, are rapidly cured by this EXT SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, thro' distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragemnt to try them, when suffering from great and long continued debility. The use of 3 bottles of these bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for 6 months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NEWTON BROWN.

ATTENTION, SOLDIERS!

And the Friends of Soldiers.

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases indneed by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on arrival of the sick, it will be noticed that a very large portion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in saying that if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters:"

PHILADELPHIA, August 22d, 1862.

Messrs. Jones & Evans:—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were cognizant of all the circumstances of my case. I am, and have been, for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in Nov. last, with inflammation of the lungs, and was for 32 days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," where I landed on the 28th of June. Since that time I have been about as low as any one could be, and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I DID force a morsel down, it was immediately thrown up again.

I could not even keep the glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of 6th below Arch street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for 18 months; for gentlemen, I am a loyal Virginian, from vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the above statement; as we had despaired of seeing our comrade, Mr. Malone, restored to health.
