The Circus is Coming.

Balance on hand,

A glance at our advertising columns will show that the Great National Circus is to be at Montrose on the 21st. Read what Forney's Press says of it:

"The National Circus is well attended. Mrs. Warner, in directing the affairs of the institution, has won for herself a reputation that she may justly, be proud of. The establishment has become very popular; many ladies and gentlemen of refinement acknowledge this by their presence on Wednesday and Saturday afternoons and, evenings of the week. The programme is often varied, and is at all times rich in classic sports and pastimes."

Lincoln Loyalty Defined.

The District Attorney of this county publicly announces that he prefers "a final her age. separation of the States, with an eternal war on the border, to having the old order of things restored." The "old order of things," of course means our glorious old Union under the Constitution as in the days of Jefferson, Monroe, Jackson, Polk, such an hour as ye think not the Son of Fillmore, &c; and this sentiment being man cometh." merely a bold echo of the declarations of Vice President Hamlin and many other Lincolnites, it doubtless embodies the real sentiment of the Lincoln party leaders This oracle denounces Fremont and his friends as disloyal. Let the people whink of that as they choose.
