Arbitrary Arrests.

There are but few things to winked this wicked Administration, as its arbitrary arrests. Only signal cases attract attention, but the arrest of the poor and obscure

are yet numberless.

James Doty, of Buffalo, addressed a letter to Hon. J. Ganson, M. C., by which he, (D.) a laborer, it seems, was arrested under pretence of being a deserter, looked up, and villainously treated, with no hope of remedy. The following tells the

story; [Copy.] CENTRAL GUARD HOUSE, WASHINGTON, D. C. June 27, '64. James L. Doty has been confined in this Gnard House since June 1st, on charge of

supposed desertion, Charges not sustained. He is now report at large with this pass.

G. B. CARSE, Capt. U. B. C. Com'g SPECIMEN OF HOW MEN ARE TREASED. Mr. Doty adds the following in his deposition: This deponent further states that while he was a prisoner at Bladensburge as herein before stated, a German, formerly a private of the 55th New York Volunteers, who had a pass to Baltimore, claimed he had his discharge at his home in Baltimore, who had a Minuie ball wound in his right elbow, which disabled his arm, was confined in said guard house at Bladensburg with this deponent under similar charge of desertion; said German was taken to Headquarters of Sergeant in charge, and in presence of this deponent and others, ropes were attached to the thumbs of either hand of said German and said ropes being passed over a timber in the upper part of said guard house, his body was thereby drawn up from the floor and swayed to and fro by other men under the orders of said Sergeant, and Sergeant saying to him: "God damn you, own up, or I'll keep you there all day," which he repeated several times, and that before he was let down, one of his thumbs burst. This German was released that same day on the same pass that he had when arrested. That the deponent says he saw several others while he was there

Proclamation of Governor Curtin. HARRISBURG, July 10.

To the Mayor of Philad's and the people: I refer you to my recent proclamations calling for troops on requisition of the President. You are not responding freely. MENT are active in deterring you, and efforts have been made to dissuade you from the belief that any considerable with the same from the belief that any considerable rebel force is in your vicinity, and many of our most loyal and patriotic citizens have been thus deceived. Similar efforts were too successfully made last year at the moment when Lee's army was actually on

your borders.

Despatches have this morning been received, establishing the fact that General Wallace with ten thousand men was yesterday compelled to fall back from Frederick. He is believed to be in retreat for Baltimore. The communications between this point and Baltimore were cut by the rebels. The authorities of the United St's at Washington, are so impressed with the necessity of immediate efforts, that they have this morning by telegraph authorized men to be mustered in by companies, which they had yesterday peremptorily refused. It is my duty to state to you the fact that your country requires your immediate services, and the safety of your BASEMENT OF J.S. TARBELL'S HOTEL. wn soil, and of our good neighbors in Maryland, may depend upon your prompt action. Recollect that the mode of enlisting men is at the discretion of the Government and it is a superstant of the public generally, that he has just returned from New York City with a well selected assortment of Government and it is a superstant of the public generally, that he has just returned from New York City with a well selected assortment of Government and it is a superstant of the public generally, that he has just returned from New York City with a well selected assortment of the contract of the public generally. Government, and it is the duty of all to obey its requisitions. It would be disobey its requisitions. It would be disgraceful to you to waste time in objecting family, and that they will be sold for Cass at any arrives of detail, or to profess that you prices that cannot fail to suit. Please call and examine.

A. N. BULLARD.

Those who want an excuse for skulking may do so, but all who desire to do their duty to the country will not accept such subterfuges. Turn a deaf ear to all mischievous suggestions from any quarter. Do not lend yourselves to a betrayal of your country. Come forward like men to aid her. The rebel forces will be easily defeated and driven away if you do your duty, and I pray God to enlighten you that the honor of the Commonwealth may be maintained. A. G. CURTIN.
