

COUNTY AFFAIRS

Democratic Committee Meeting. The Democratic Standing Committee of Susquehanna County, will meet at the Keystone Hotel in Montrose, on Monday, August 22d, at one o'clock, p. m. Full attendance—Important business.

Agricultural Society. The Susquehanna County Agricultural Society will meet in the Court House on Monday evening, August 22d, 1864. Aug. 9, 2w C. L. Brown, Sec.

Another Circus. As will be seen from an advertisement, Gardner & Hemming's Circus will be in town on Saturday of next week, to take the quarters and teach the crowd to laugh and grow fat.

Stamp Your Receipts. The new stamp duties went into operation on the 1st inst. It concerns everybody to know that all receipts for sums over twenty dollars, and all checks and drafts must be stamped—also all notes.

Substantial Reasons. The Susq'a Depot Pennsylvania, tho' a Lincoln paper, copies the Wade-Davis protest against Lincoln's usurpations, for the stated reason that everybody wants to read it. For a like reason we print it to-day, although a Republican document, and in place of the Democratic address promised. But the Montrose Lincoln organ does not publish its own party document "because everybody wants to read it."

Ladies' Festival. The ladies of St. Paul's Episcopal Church will hold a festival for the sale of fancy articles, ice-cream, etc., at the Academy building, (kindly tendered for the purpose by the school directors) on THURSDAY August 18th, afternoon and evening. The public are invited to attend. Admission ten cents. aug 11 2t

Volunteers Wanted. Twenty volunteers wanted to fill the quota of Brooklyn township. The highest bounties will be paid, and young men wishing to volunteer and thus escape the draft, will find it to their interest to call upon either member of the recruiting committee: P. H. Tiffany, E. P. Mack, H. L. Bailey.

LOST! On Saturday evening last, somewhere between Montrose and near Joseph Watrous', in East Bridgewater, a bundle containing coat trimmings, buttons, thread, &c.; and a Deed for some 40 acres of land situated in Lathrop, and given by John Bisbee to Kate Bisbee. Whoever will return said package and contents to the undersigned, in Lathrop, or to F. B. Chandler, in Montrose, will be liberally rewarded. JOHN ANST. Aug. 8, 1864. 2w

N. Y. Wholesale Prices of Produce. Reported for the Montrose Democrat by JOSIAH CARPENTER, Commission merchant, No. 32 Jay street, New York, to whom shipments of produce may be made. Two thirds of the market value will be advanced on the receipt of the goods if desired, and a quick return made for the balance. Full directions and a weekly market report sent free of charge by mail to those making shipments.

Table with 2 columns: Item and Price. Includes Beans, Butter, Cheese, Eggs, Flour, Feathers, Beef Sides, Mutton, Veal, Pork, Hams, Lard, Beef, Pork, Apples, Maple Sugar.

NOTE.—A full report of the New York Market can be seen at the office of the Montrose Democrat, corrected up to last Saturday. We have on file a weekly Price Current of Produce, for the use of our friends who may call to examine it. In the above list is given the lowest and highest prices which are governed by quality and condition. Many articles that are not mentioned above, can be found on the report in this office.

The Wilkesbarre Record of the Times, a shoddy organ, says: "If one half of the complaints made against our Provost Marshal at Scranton are true, the office is overhauled by a Court-martial the better. Removal from office will not set matters right. Officers who speculate out of the necessities of our people, and make money unjustly in this hour of peril, deserve the severest punishment. If reports are not true, it is equally the right of the officer to have his reputation defended and falsehood disproved. As matters now appear, the office is one of the most corrupt and disreputable in the country, or the gentlemen composing the board are badly slandered."

Can any one tell which is the case? The Pittston Gazette (Rep.) says: "We hear much said about the unfairness with which things are done at the Provost Marshal's office in Scranton. We like to deal with facts; has any body got them?"

The Pittsburg Commercial, another Lincoln sheet, says: "Complaints against the manner in which the Provost Marshal's office in this city is conducted, have become so numerous and loud, that we conceive it to be our duty to refer to the subject. It is openly asserted, and we believe it to be true, that an unjust and unequal system, rather a total want of system and justice, prevails in accepting or rejecting suits and substitutes offered for service; that men rejected as substitutes have been accepted as recruits; that men totally unfit for military service have been accepted, and others every way fit have been rejected; that to such an extent have these and other practices of an equally reprehensible character been carried, that a positive injury has already resulted to the patriotic cause, and serious embarrassments been thrown in the way of filling the quota of the district. The manner in which the office has been administered has operated as a serious drawback on the military service, has aggravated the rigors of conscription, inflicted positive wrongs and hardships, incensed the public mind, tended to bring the Government into disrepute, and produced dissatisfaction and distrust in the place of the good will and feeling of encouragement which especially at the present time it would the aim of the Federal officers to cultivate. These general charges are accompanied by numerous specifications, some of which have found their way into the papers over responsible names. We believe we give utterance to the almost universal idea when we say there is a pressing need for an immediate change."

Yes, a change is needed, and the people will make it in November, at the polls. It is useless for men to whine about special cases of fraud or bad management, and yet support Lincoln, for he is the fountain head of all these. Swap off the old boss, and we get rid of all his cot's; if not the country will be obliged to support the whole drove, until ruin ensues. If any man dislikes the effects, let him vote to remove the cause—Abe Lincoln.

To Whom it May Concern. Such of our patrons as choose to pay all arrears, and also a year in advance, can do so at \$1.50 per annum; while all who neglect to do so till after the end of this month, will be held liable to the old advertised rate of \$2.50 per year. We are now paying about three times the old rates for our white paper and many other articles, and would be justified in raising our terms to \$4 per year in advance, for Greenbacks are not worth 40 cents on the so-called "dollar."

The Cincinnati, Ohio, Commercial, a Republican Journal, reveals the fact that Mr. Sands, the United States Marshal, tried to bribe the editor of the Cincinnati Union, a German Fremont paper, to support Eggleston, the Lincoln candidate for Congress, who was nominated over S. F. Chase. Cash was laid on the editor's table, and \$250 worth of printing paper was afterwards tendered and also rejected. President Lincoln in his "To Whom it may concern" letter takes to himself the title of "the Executive Government of the United States." It will be news to the people of the country that such an officer ever existed.

He who pays a dollar to an Abolition political preacher might as well pay an incendiary to set fire to his own house.

Bridgewater, County and Volunteers. Money wanted by loan for Bridgewater Township, in sums to suit lenders. Men liable to draft, come forward with funds. Apply to B. O. THACHER, under Hatch's Hotel. Also—A few men to fill the township's quota. Volunteers call on Mr. Thacher, as above, or upon H. S. Searle, M. J. Harrington, Lewis Chamberlin.

The pirate Tallahassee is committing depredations upon our commerce close along the Long Island coast, and is believed to be making her way up to the fishing banks to destroy the fleet there. She has burned a large ship, the Adriatic and the pilot boat William Bell, besides other craft. She is recently from Wilmington, North Carolina, and is probably one of the blockade runners which has been manned and armed at that port. The pilot boat James Funk has been fitted up as a tender.

A Candid Statement.—You can procure any Druggist in this city and vicinity, Dr. Tobias' Venereal Lintment. It is a sure and specific cure for sore throats, heat of the throat, chronic rheumatism, colic, cramps and pains in the limbs. We advise every one to give it a trial. The expense is a mere trifle—30 cents—and you are confident no person will ever be without it. Every family should have a bottle in the house in case of sudden accidents, such as cuts, burns, scalds, &c. Its pain-relieving qualities are miraculous. As for cramps, it has saved hundreds; we have the certificates of the Medical Faculty of the University of New York. Sold by all Druggists. Office, No. 55 Cortlandt street, New-York. [Aug. 1 1m]

With a view to this end, the large troupe of performers that comprise this organization have been selected from among the best artists of Europe and America, and aided by the splendid staff of Horseteers and Males, will appear in every variety of Equestrian and Gymnastic diversions. Look at the names of the performers: DAN GARDNER, the People's own Clown. RICH. REMMINGS, Best Equestrian and tight rope dancer in America. MISS ELIZA GARDNER, First of the public the Great child rider of the celebrated Casino wonder, Jenny Lind. GEO. BROWNE, the astounding athlete. MADAME CAMILLA, the dashing Parisian equestrienne. At a cost of \$6,000 the management have constructed a grand GOLDEN CHARIOT, of the most beautiful and elaborate description, manufactured expressly for this season by Fieiding Brothers, New York city. This magnificent Chariot will enter town, each morning of Exhibition, drawn by Twelve Cream-Colored Chargers! The Chariot contains FRITZ HARTMAN'S celebrated Philadelphia Brass Band, and followed by the entire troupe of Horseteers and Males. A Grand Procession of the most Elegant Spectacles. Don't forget the day and date, but prepare for the Big Show. W. E. GARDNER, Agent. Aug. 15, 2w

The Starke county Democrat published at Clinton, Ohio, says: "A preacher in this city, last Sabbath, took for his text the 12th verse of the 14th chapter of Hebrews. It reads as follows: 'Follow peace with all men, and holiness, without which no man shall see the Lord.' The reverend gentleman read this verse as follows: 'Follow holiness, without which no man can see the Lord.' The words, 'peace with all men,' were not acceptable, and hence were omitted." So it seems that the abolition preachers are going to take the same liberty with the Word of God that Old Abe does with the Constitution.

U. S. 7-30 LOAN. The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable three years from the date of maturity. The notes will be issued in denominations of \$50, \$100, \$500, \$1,000 or some multiple of fifty dollars. The notes will be transmitted to the owners free of charge as soon after the receipt of the original Certificates of Deposit as they can be prepared. As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit. Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent., which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

SPECIAL ADVANTAGES OF THIS LOAN. It is a NATIONAL SAVINGS BANK, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay anything better for its own assets, either in government securities or in notes or bonds payable in government paper. Investment. The notes can always be sold for within a fraction of their face value, and they are secured by the best security with banks as collateral for discounts. Convertible into a Six per cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the rate for 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was at least ten per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum. Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special act of Congress exempts all Bonds and Treasury Notes from local taxation. On the average, the amount of the rate of taxation in various parts of the country is believed that the very strongest appeal will be to the loyalty and patriotism of the people. Duplicate certificates will be issued for all deposits. The receipt of the deposit upon the original certificate of the denomination of the Notes required, and whether they are endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers, and all persons having certificates of public money, and by all National Banks which are depositaries of public money, and by all RESPECTABLE BANKS AND BANKERS throughout the country will give further information and AFFORD EVERY FACILITY TO SUBSCRIBERS. WISTAR'S BALSAM OF WILD CHERRY! One of the oldest and most reliable remedies in the world for Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Hoarseness, Hoop, Sore Throat, Croup, and every affection OF THE THROAT, LUNGS & CHEST, INCLUDING EVEN CONSUMPTION. WISTAR'S BALSAM OF WILD CHERRY So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and find utterance in the abundant and voluntary testimony of the many who have been restored to pristine vigor and health. We can produce a mass of evidence in proof of our assertions, that CANNOT BE DISCREDITED. The Rev. Jacob Sechler, Well known and much respected among the German population of this country, makes the following statement for the benefit of the afflicted: HANOVER, Pa., Feb. 10, 1859. Dear Sir:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry for the relief of my present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not received for six months before, and which I almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them. J. NIXTON BROWN, Philad'a.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge, and Christian Chronicle, Philadelphia.
