Abolition Amalgamation Exposed.

Hon. Montgomery Blair, Lincoln's Post Master General, who ought to understand the doctrines of his party leaders, made a speech at Rockville, Md., during the Cabinet imbroglio, thus unequivocally says his associates in the Cabinet and in the republican party wish to bring about practical miscegenation. He said:

"The Abolition party, while pronouncing phillipics against slavery, seek to make a caste of another color by amalgamating the black element with the free white labor of our land, and so to expand, far beyond the present confines of slavery, the evil which makes it obnoxious to republican statesmen; and now, when the strength of the traitors who attempted to embody a power out of the interests of slavery to overthrow the government is seen to fail, they (the abolition party) would make the manumission of the slaves the means of infusing their blood into our whole system by blending with it "amalgamation, equality, and fraternity." The cultivators of the soil must then become a hybrid race, and our government a hybrid government, ending, as all such unnatural combinations have ever done, in degraded, if not abortive, generations, and making serfdom for the inferior caste—the unmixed blood of the conquered race inevitably asserting a despotism over it. To facilitate this purpose, a concerted appeal is now made to the people of the free states through the press to open the way to this daring innovation."

Manufacture of Woolen Goods,

CHAPTER 8.

In answer to numerous inquiries as to when we could make up wool into cloth if brought hereafter, we have to say: There is all the wool taken in that can be done before next spring. As most persons want their goods for the coming winter, we thought best to notify them of this fact to prevent disappointment.

In the meantime we shall do this season's work as satisfactorily as possible, and make additions to our machinery and fixtures, so as to be able to do all that is offered another year. We shall as usual full, color, and finish cloth for customers during the fall.

HAWLEY'S SOLIDIFIED Dental Cream,

FOR CLEANSING, WHITENING & PRESERVING

THE TEETH.

THIS article is prepared with the greatest care upon scientific principles, and warranted not to contain anything in the slightest degree deleterious to the Teeth or Gums. Some of our most eminent Dental Surgeons have given their sanction to, and cheerfully recommend it as a preparation of superior qualities for cleansing, whitening and preserving the Teeth. It cleans them readily, rendering them beautifully white and pearly, without the slightest injury to the enamel. It is healing to the gums where they are ulcerated and sore. It is also an excellent disinfector for old and decayed teeth, which are often exceedingly offensive. It gives a rich and creamy taste to the mouth, cleansing it thoroughly, and imparting a delightful fragrance to the breath.

PREPARED ONLY BY

A. HAWLEY & CO.,

N. W. cor. 10th & Lombard sts., PHILADELPHIA.

AND SOLD BY ALL DRUGGISTS.

PRICE 38 CENTS.

Testimonials.

The following opinion of Dr. White, as to the high esteem in which he holds the Dental Cream, must be sufficient evidence of its value; to quote other testimonials in detail is needless, contenting ourselves by simply giving the names and address of persons who speak of its excellency for the teeth.

PHILADELPHIA, April 15th, 1863.

Having carefully examined A. Hawley's "Solidified Dental Cream," I hereby cheerfully recommend it to the public generally. It is an excellent preparation for cleansing and preserving the teeth, and can be used by all persons with the utmost confidence, as its properties are perfectly harmless. Besides preserving the teeth, it promotes a healthy action to the gums, and imparts a pleasantness to the breath.

ABEL TURRELL

Now offers for sale one of the largest and best selections of

GOODS!

Ever offered in Susquehanna County, and probably comprising the greatest variety or most different articles of any Store in the Northern part of Pennsylvania, and perhaps of the entire State. An assortment is kept in about thirty different branches of trade, and the selections are made from about forty of the best Houses in New York, and more than fifty Dealers and Manufacturers out of New York: A large proportion of the Goods are brought direct from the manufacturers, thus insuring genuine articles. Customers on entering the Store must not expect to find everything in sight, but nearly every article wanted will be produced by inquiry. Some idea of the Stock may be formed by the following general outline, but enumeration is impracticable.

Drugs and Medicines, Paints and Oils, Dye Stuffs, Groceries, Liquors, Crockery, Glass Ware, Wall and Window Paper, Jewelry, Silver Ware, Perfumery, Fancy Goods, Musical Instruments, Brushes, American Pocket Knives, Table Cutlery and Silver Plated Ware, Lamps, Materials for Lights, Hardware, Bed Cords, Stone Ware, Dry Goods, Mirrors, Window Glass, Lithographs, Varnishes, Bird Cages, Spectacles, Whips, and Lashes, Brooms, Guns, Pistols, Ammunition, Tobacco, Medical and Surgical Instruments, Salt, Soap, Potash, Umbrellas, Porcelain Teeth, in short, nearly everything to restore the sick, to please the taste, to delight the eye, to gratify the fancy, and also to conduce to the real and substantial comforts of life.

The attention of the public is respectfully invited to my stock of Goods, bought exclusively for cash down, and will be sold on the same principle for low prices.

ABEL TURRELL.

Manhood: How Lost, How Restored.

JUST Published, new edition of **Dr. Culverwell's Celebrated Essay** on the *radical cure* [without medicine,] of SPERMATORRHŒA, or seminal weakness, involuntary seminal losses, IMPOTENCY, mental and physical incapacity, impediments to marriage, etc.; also, consumption, epilepsy, and fits, induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure, at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and *radically*.

☞ This Lecture should be in the hands of every youth and every man in the land.
