

COUNTY AFFAIRS.

Soldiers' Aid. The soldiers' aid societies of the county that did not make any or a full report to the county council held at Montrose on the 18th inst., are requested to send a list of all that has been contributed by them to the Sanitary Commission, to Dr. C. C. Halsey, immediately, in order that a complete summary may be prepared for publication.

DEMOCRATIC POLE RAISING.

The Democracy of Rush and vicinity hold a Mass Meeting, and raise a McClellan Pole and Flag, at N. D. Snyder's, in Rush, on Tuesday afternoon, Nov. 1st. R. B. LITTLE, Esq., and J. B. McCOLLUM, Esq., will be present and address the people. Democrats Rally! Hon. CHARLES DENISON has also been invited.

McClellan Meetings.

There will be Meetings of the Friends and all those in favor of the Election of George B. McClellan to the Presidency, held at New Milford, Oct. 25th, at Union Hall, Susquehanna, Oct. 26th, at Nicol's Hall, Great Bend, Oct. 27th, at Dayton House, at 7 o'clock, p. m., each to be addressed by Dr. M. H. C. Vail, of New-Ark, N. J. The attendance of the Union and Conservative Men is earnestly solicited.

The Binghamton Meeting.

The mass meeting of last Friday was by far the largest we ever witnessed, and indicated a triumph in Nov. Our State was largely represented. The speeches were of the highest order. We have not time or space for a report.

East Bridgewater Club.

The friends of the Union and McClellan will meet at the Passmore School House every Tuesday evening. Speeches at each meeting, and all are respectfully invited to attend.

The Assessments.

Some voters in the army and at home were not assessed so as to vote at this election. Go to the new assessor and get each assessed at once; pay the ten cent soldier's tax, send him the assessor's certificate, with the collector's receipt on the back, and require said officers to give you a duplicate of the same to be evidence here if required. Also send the soldiers the electoral ballot, at once, and again next week, as they may not get the first. From what we learn, few of the soldiers have seen our October tickets, for means are constantly used to prevent them from seeing but one (the colored) side. Send McClellan ballots to all.

Teachers' Examinations.

Each applicant will please write beforehand the address, educational works read, and number of terms taught. Examinations to begin at 10 o'clock. Each certificate will require a stamp.

Elmira Business College.

This Institution under the able and efficient supervision and management of Prof. Warner & Smith, has already attained a highly flourishing and creditable position.

Their numbers are so rapidly increasing they will find it necessary to remove their College into the spacious, elegant and commodious apartments in Holden's Hall early in November. All necessary arrangements are being made for the establishment of a Banking House, Commission House, Wholesale Dry Goods House, Railroad Office, Broker's Office, &c., in each of which the business will be conducted as practically, systematically and understandingly as any business house on Broadway. No one except those who are familiar with this method of business training, can fully comprehend the benefits this College is conferring upon the young, who, within its walls, are seeking that practical education which leads to success in business, usefulness and wealth. The qualifications of the Faculty for their respective departments are too well known to need any comments from us.

Its location, its course, its system, its beautiful diploma, its splendid penmanship and to all of its appointments as a first class Commercial College, we hesitate not in saying, it has no superior. - Elmira Daily Advertiser.

ASTOUNDING FRAUD - PROXY BALLOTS.

We are told by a gentleman of unquestioned veracity, that in Huntingdon county, a soldier sent his proxy to a Democratic friend as authorized by law, but it so happened that he was able to come home in person to vote and did vote, after which he lifted the proxy, and on opening it found the full abolition ticket! The proxy had manifestly been opened by some Lincoln officer, and the ballot changed. Who can say that this was not done in thousands of instances? - Patriot & Union.

If you want peace, if you want low taxes, if you want no more conscriptions, if you want to save the government of your fathers, if you want your children to enjoy the blessings of liberty, if you want Union in place of disunion, prosperity in place of adversity, harmony in place of discord, peace in place of war, and plenty in place of want and destitution, vote for McClellan.

The following communication in the Iowa Constitution explains itself:

JUDAS CLAGETT, Keokuk: Dear Sir: I leave to-day on the first boat for my regiment, the 17th Iowa. I am 51 years old, and vote George B. McClellan. Sixty of us voted in the hospital for George, hence we sixty were sent to the field. But we will not forget our duty to our friends at home, the Constitution and laws. We could have stayed in hospital if we had voted for Old Abe. JERTHA ACKLEY.

The announcement of Gen. Hovey, in Indiana, that he would prevent the McClellan men from carrying the State election by the direct use of military force, was followed by a speech from Mr. Kilpatrick, the Lincoln candidate for State Treasurer, who made this declaration: "The ballot-box in this country is played out, the country's interests are controlled hereafter by a centralized power!"

On the day of the election, in Fishing Creek township, there were squads of soldiers stationed at every intersection and cross-road in the vicinity of the election polls. What the object was is unknown, unless to deter people from going to the polls. - Bloomsburg Star.

The Commissioners from Pennsylvania, to hold elections at Annapolis and Piedmont in October, performed their work in such a wretched manner that several hundred votes were lost, and more would have been but for the volunteered aid to soldiers of agents from Ohio. It is asserted that over two hundred were lost in Annapolis for want of tickets.

The Boston Journal (Rep.) acknowledges that "the men of long purses and eminent respectability" in that city, "who were the pillars of the Whig party," have taken Little Mac to their arms and hearts.

Gen. Sherman for McClellan.

Last week at Millersburg, Ohio, an immense concourse of people was addressed by Captain Falwell, of the 20th regiment, and now of Gen. Sherman's staff, who dealt sledgehammer blows for Little Mac and the Union, which were greeted with the wildest applause. He said that only a few days ago he left Gen. Sherman and his army, and that he was authorized to say that Gen. Sherman was for McClellan, and that more than two-thirds of Sherman's army are now for McClellan.

Inzerne County is sick of Lincolnism and shoddiness - there is now no chance for doubt on this score. In 1860 it gave 497 majority for Lincoln, but on Tuesday of last week, it gave 2045 majority against his apostle, W. W. Ketchum and in favor of Hon. Charles Denison. It will do better than that on the 8th of November.

It is stated on good authority that Generals Grant and Sherman will go into winter quarters without an attempt to make any important movements until the spring.

Lincoln has gained nothing in the West by the withdrawal of Fremont, as the Germans, who were his supporters, refused to be transferred to Lincoln. They are supporting McClellan.

In addition to the different methods of cheating the soldiers out of their votes, mentioned in Saturdays paper, the Shoddy party have practiced another. The post office department, or some other department failed to deliver the letters sent to Democratic voters, so that they did not receive their tickets and papers. We have several letters from the boys in the army, stating that they received no such letters, though sent long ago. - Patriot and Union.

A young gent of fourteen eloped from Kinton lately with a girl of thirteen. They had traveled over twenty miles by rail, when their papa overtook them and liberally presented each with an old-fashioned dogging.

The Lincoln Marshal ordered 81 conscripts in Moproc county, to report at Honesdale on election day. They came, found the board not in session, and so lost their votes; 80 of the 81 were Democrats.

SEND TICKETS TO SOLDIERS

Every day we have additional evidence that very many soldiers had no tickets for the October election. The Lincoln army commissioners furnish nothing but shoddy tickets, and thousands of Democratic soldiers are cheated out of their votes. No way is open except for every one to send to his acquaintances, the McClellan electoral ballot, immediately.

Electoral tickets, and proxy blanks can be had at the office of the Montrose Democrat; or if any person desires tickets sent to soldiers without delay, he can send us post-paid envelopes, directed to any soldiers, and we will mail them without delay. Two or more letters inclosing ballots should be mailed to soldiers, as an offset against accident, guerrilla and Post Office robberies. Send every soldier his ten cent tax receipt.

Soldiers write home that they got no tickets for October. Whole regiments had nothing but shoddy tickets. Others who should have received them in letters in time, got their letters after election day.

THE UNION

is the one condition of peace, with Gen. McClellan.

But Mr. Lincoln says he will not listen to talk favoring Union and peace without first securing the freedom of

THE NEGRO.

Personal Exertion will secure victory, union and peace. Do not rely upon any committee, nor "any other man," to get out the voters. Go to work yourself, and urge others to help. See to it, at once, that all are assessed. Send votes, &c., to soldiers. See that every man is going to be at home before election day. See that each one puts in his ballot. Send for or bring along all the indifferent ones, the old, sick or lame if able to ride. Let all work and we'll win.

Election Day

is Tuesday, November 8th. Saturday of this week is the last day to assess, to enable men to vote for President.

Bogus Tickets.

We learn that a Republican committee is sending the Lincoln electoral ticket to the army, headed "McClellan Electoral Ticket." Let the McClellan soldiers be informed of this at once by letter.

Increase the Vote.

The Democrats had little or no organization for October, and their full vote was not generally polled. But shoddy had a thorough organization and lots of money, and they did their best. Congressman Ancona writes that McClellan will do a thousand better in Berks than he did. McClellan writes the same from Schuylkill. So we hear from various quarters. An increase of six or eight can be made in almost every town, and greater in many, and the State saved by 30,000. Thousands will vote for McClellan, who did not vote with us before - both citizens and soldiers.

Voting for Drafts.

Every man who votes for Lincoln, votes for heavy Drafts and Taxes. Elect Old Abe and the last man will be drafted and forced into the army, but the Union will still be lost - Lincoln cannot and will not restore it, but bring on despotism, anarchy and ruin.
