Meeting at Friendsville. A McCleilan Mass Meeting will be held at Friendsville on Thursday afternoon, Nov. 3d, 1861. Hon. J. J. TAYLOR of Optopic and others are to speak. Let all in that quarter attend.

penison Elected.

Since the gay after the election it has been positively known that Hon. Charles Denison was reëlected to Congress; yet a few leading shoddies have continually reported: that Ketcham was elected; alnough they knew such stories were false and groundless. Even one newspaper was mean enough to print the lie. The object no doubt was to affect the next election. Ketchain's threads stooped to the lowest depths of meanness to make votes for defeated no wonder the worst of them are ashamed to tell the truth.

The Army Vote.

The return judges met on Friday and counted the reported soldier vote. Only 255 are reported for Ketcham, and 89 for Denison. County ticket something less. those who enlisted are dead, and a heavy the weaker sex, (like the party.) vote could not well be returned. Shoddy will do better for President. Some 500 votes are returned to Luzerne

county, but they do not change the result.

Reviewing the early history of abolitionism, that fanatical spirit is shown to have been the priinary provocative origin of our troubles. -and the arguments are amply sustained by quotations from Washington, Jackson, Webster and Clay. It is one of the best works of the kind in print, and ought to be purchased, read and preserved by every family that cherishes a respect for the Father of his Country, It closes with an . imirable and appropriate reference to ion. McClellan as the counterpart of Gen. Washington; and for this reason it is rerefled that the book was delayed in its Webb & Butterfield have the work for

### Farmers, Attention!

The Lincoln Congress passed an act, April 5, 1964, laying a direct tax upon inds, with the buildings and improvents, to an aggregate of \$70,000,000! in they took care to postpone the levyog and collecting of the tax till after the 'residential election of 1864.

On the first day of April, 1865, this law will go into force, and only then will farmars and land-holders begin to feel the bardens of the taxes made necessary and apprative by the present blundering ad-...uistration.
