I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly preclaining this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

I do this the may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. Jackson, of this city, be cause I was prejudiced against them for many years, under the impression that they were chiefly an aicoholic mixture. I am indebted to my friend, Robert Shoemaker Eaq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of there bottles of these bitters at the beginning of the prosect year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Dr. Jackson:—Dear Sir:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofind's German Bitters, I depart for once from my assunded by the course, to express my full conviction that, for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. Insome cases it may fail; but usually, I don't not, it will be very beneficial to those who suffer from the above cause.

Yours, very respectfully.

Dr. Jackson: — Dear Sir:—I feel it due to your excelent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases aimilar to my own, and have been assured by many of their good effects.

Respectfully yours.

IMPORTANT TO ALL INVALIDS IRON IN THE BLOOD.

It is well known to the medical profession that IRON is the vital principle or life element of the blood.—
This is derived principally from the food we eas; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its diesase producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of

Iron as a Medicine, is well known and acknowledged by all medicalimen.— The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hays, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

The Peruvian Syrup is a protected solution of the protoxide of Iron. A new discovery in Medicine that strikes at the Root of Dis-case by supplying the blood with its Vital Principle or Life Element—IRON. The Peruvian Syrup

Cures Dyspepsia, Liver Complaint, Dronsy, Fever and Ague, Loss of Energy, LowSpirits. The Peruvian Syrup s strength, vigor, and new life into the system and builds up an "Iron Constitution." The Peruvian Syrup Cures Chronic Diarrhoa, Scrofula, Bolls, Scurvy, Loss of Constitutional Vigor, The Peruvian Syrup

s Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder. The Peruvian Syrup s a specific for all diseases originating in a tad state of the Blood, or accompanied by Debility or a low state of

he Blood, or accompanied by Medicing Cures and recomthe Bystem.

THE TETH.

THIS article is prepared with the greatest care upon scientific principles, and warranted not to contain anything in the slightest degree deleterious to the Teeth or Gums. Some of our most eminent Deutai Surgeons have given their sanction to, and cheerfully recommend it as a preparation of superior qualities for cleansing, whitening and preserving the Teeth. It cleans them readily, rendering them beautifully white and pearly, without the slightest injury to the enamel. It is healing to the gums where they are ulcerated and sore. It is also an excellent disinfector for old and decayed teeth, which are often exceedingly offensive.
