After duly piraising the baby, he remarked to the molady, blashing, " we had to raise him on the bottle." The gentleman resumed his reading, and has not bragged on any strange baby since.

ODD.FELLOW'S SECRET LET OUT. The lodge of I. O. O. F. at Mdetermined to have their lodge room done up clean and nice, and it, was resolved a-nanimously that Mrs. K. should be hired

to do the job. After the lodge adjourned, the guardiup into his face, "does it grieve you to Mrs. K., procured a billy-goat and placed an, who knew the inquisitive character of ing, as he then would be at leisure to show her what was and what was not to. be done. Morning came and brought Warrington and Mr. Garnett, while we pails, tubs, &c., prepared and armed for are happy with one another. Shall it not the job, and the guardian waiting for her with it Mrs. K., with her broom, brushes, arrival.

"Now, madame," said he; "I'll tell you what we want done, and how we came to employ you. The brothers said it was that you could be depended on?"

"Depended on !? said she, " I gness I can. My poor dead and gone husband to tell me all the secrets of the concern. sojourn, however : Kate was satisfied to and when he showed me the marks the never fold a living soul to this day. And

if nobody troubles your closet to find out rot—so they, will.

"I thought so, said the guardian, "and left the lady to herself.

No sooner had she heard the sound of she exclaimed: "Dou't go into that closet! I'll warrant there is a gridiron or some nonsense, just like the anti-masons for all the world, I'll be bound. I'll just take a peep, and nobody will be any the. wiser, as I can keep it to myself."

Suiting the action to the word, she stepped lightly to the forbidden closetturned the button-when bah! went the billy-goat, with a spring to regain liberty, which came near upsetting her ladyship. Both started for the door, but it was full of implements for house cleaning, and all were swept clear from their position down

The noise and contusion occasioned by such unceremonious coming down stairs, drew half the town to witness Mrs. K.'s efforts to get from the pile of pails, tubs, brooms and brushes into the street.

Who should be first to the spot but the rascally guardian, who, after releasing the goat, which was a cripple for life, and uplifting the rubbish that bound the good woman to earth, auxiously inquired if she had been taking the degrees.

bottom of the stairs, scared to death, taking things by degrees, I have them, and it you frighten folks as you have me, and hurt to boot, I'll warrant that they will "I hope you did not open the closet, madam," said the guardian. ther, "he is a real Sucker (meaning an II-linoism) I suppose." "No, sir" said the woman to do anything, tell her not to do it and she'll do it certain. I could not stand the temptation. I wanted to know it, so I opened the door and out popped the tarnal critter right in my face, and I thought I was a goner, and broke for the stairs, with Satan butting, me at every jump-I fell over the tub, and got down
