Railway Meeting.

A railroad meeting was held at house of Bela Jones, Esq., in Liberty Dec. 8th, 1864. On motion, Mr. Jones was made President of the meeting.

Benj. S. Bentley, Esq., of Montrose, in a few pertinent and timely remarks made known the object of the meeting—followed by P. Hinds, Esq., setting forth some of the advantages of a railway down the valley of the Snake Creek.

A unanimous vote was given favoring the project by all present. It was unanimously

Resolved, That a committee of four be appointed, consisting of the Chairman, Alanson Chalker, Watson Bailey and Russell B. Sherman, to procure a release of the right of way down the creek.

Resolved, That these proceedings be published in the Montrose papers. F. B. C.

Death of Lester Wright.

Died, in Brooklyn, Nov. 23d, Mr. Lester Wright, aged 39 years.

Mr. Wright was a soldier, home from the service on a furlough for twenty days. He belonged to Co. G, 187th R. V.—He enlisted last spring, for Lathrop. In the latter part of the season he had a fit of sickness and obtained leave to visit his home for a few days in hopes of being benefitted, but was again taken sick and died after a few hours illness. The immediate cause of death was epileptic fits. He leaves a wife and two children to mourn his loss.

New Year's Ball.

A New Year's Ball will be given at the Union Hotel of R. C. VAIL, in New Milford, on Friday evening, Dec. 30th, 1864.

A McClellan Peace Cake will be divided among the Ladies and Gentlemen at the close of the party, in remembrance of LITTLE MAC, who did so well in trying to preserve the glorious old Union and Constitution, under which the people of this country have lived in peace and prosperity for over sixty years.

Medical Meeting.

The annual meeting of the Susq'a Co. Medical Society will be held at the office of E. L. Gardner, Secretary, in Montrose, on Wednesday, Jan. 4, 1865. All regular practitioners are invited to attend. dec

Stockholders' Meeting.

The annual meeting of the stockholders of the Lenox & Harmony Turnpike Road Company will be held at the house formerly occupied by Joel Steenback, in Gibson, on the first Monday (second day) of January, 1865, at ten o'clock in the forenoon. JOHN SMILEY, Treas.

Only One Dollar.

Our friends will please notice that the price of the Montrose DEMOCRAT, (until otherwise stated) will be reduced to the very low rate of ONE DOLLAR per year in advance, payable in gold, or silver coin, or bills of specie-paying banks. Those who prefer to pay in the common currency of the day, will be charged "two dollars;" which are now worth about 45 cents, each, in coin—and coin is worth only its former value.

This is an actual reduction of one-third from our old rates; and we presume no one will ask us to lose more.

☞ Terms positively invariable.

—Another draft took place at Scranton last week but no list appears as usual. It is reported that the men are taken in the night without notice.

—A man was lately arrested in Baltimore for hanging out a striped red and blue umbrella sign. Maryland is now a "free state," you know!

Warner & Smith's Commercial College.

The gentlemen who now have charge of the Commercial College, Messrs. Warner & Smith, have evinced a great deal of energy and industry since they took charge of the institution. The result is that they have placed it in a position in advance of any shool of the kind in the country. They have leased the large and commodious Hall and rooms known as Holden's Hall, and permanently established their institution at this central point. The Hall is well adapted for their purposes, and has been fitted up so as to be convenient and suitable for the different departments into which they have classified their institution. Their course is very thorough and correct, and any young man who shall graduate from this Institution will be competent to take charge of the books of any bank in the country. We feel proud to have such a school in our midst. Our citizens should take pains to have it sustained and its influence extended. We have no doubt that the zeal and ability of Messrs. Warner & Smith will lead to a triumphant success.—*Elmira Daily Advertiser.*

State Military Service.

The following answers to questions are furnished by Inspector General Todd, and may prove of interest:

1. Are those who hold exemption certificates from United States boards exempt under the State law?

The certificate of exemption for mental or physical disability, given by the physician of an enrolling board of the United States, should not be received as evidence of disability or disqualification for State service. Each board must make its own exemptions, determining from all the circumstances of each particular case, whether the party is a proper subject for exemption.

2. Are those who paid commutation to the United States, or furnished substitutes exempt?

The citizen owes allegiance and, as a consequence, service to both State and National Governments, and exemption from service under the provisions of the act of Congress for enrolling and calling out the National forces, does not relieve a party from the service he owes the State under the militia laws of the Commonwealth. It is a superadded obligation.

—We urge upon those in authority the speedy trial, and, if guilty, the full punishment of the parties arrested in connection with the thefts in our Navy Yard; but let them have a fair, impartial trial, under the Constitution and laws of the land.

—A man was arrested and tried in New Fairfield, Conn., some weeks since for an attempt to "kiss, hug, and tickle" (so the indictment read) a certain woman. The man demurred to the 'soft impeachment.' So the case has "gone up," and we suppose will go thro' all the courts.

—The gold and stock markets have advanced, under the influence of the belief that an enormous addition to the paper-money issues of the country is inevitable during the next year. The programme of continued government inflation, bank expansion, and reckless speculation, is now a fixed fact.

—A serious riot occurred at Toronto, Canada West, on Monday last, between members of the Fenian Brotherhood and Orangemen. Excitement was running high, and fears of further violence were entertained.

—A draft now going on Washington, D. C., is conducted in secresy, so that those whose names are drawn shall have no chance to run away. It is intimated that the enrollment law may be so amended as to make this mode of drafting the general practice.

—Ex-Secretary Chase has been appointed Chief Justice of the United States Supreme Court, in place of Judge Taney, deceased. Chase is one of the three original disunionists in the Senate; and was a secessionist in the winter of 1860–61.

—Farmers are now required to report to the United States assessors, all cattle, hogs, calves and sheep which they slaughter for sale. The tax on each head of horned cattle is 40 cents, on each hog 10 cents, on each calf 5 cents, each sheep 5 cents. Reports must be made during the first ten days of each month. Persons failing to make return as required by law, subject themselves to a severe penalty.

—An Iowa soldier stated in the presence of quite a crowd, that on Tuesday he voted for Lincoln eleven times, between Cairo and LaSalle.

—Secretary Fessenden, besides recommending legislation to punish gold speculation, hints at the possibility of ceasing to pay the government interest in gold.

—In his late Thanksgiving Sermon Mr. Beecher said:

"The nation, in voting for Abraham Lincoln, votes to double its taxes."

Precisely. So the Express said before the election, and for which it was often denounced, but the statement was, and is true.

—A few years ago a case of stealing from the Government would have made the nation tremble from the centre to the circumference, from the mountains to the sea. But now all is changed, and the most unheard of peculations are committed upon the property of the Government, and men who are its peculiar friends merely note the fact, wag their heads and pass on to the current business of the day. "Never was turmoil in a State (says Sir Walter Scott) in which knaves did not advantage themselves—as a boiling pot is sure to bring scum to the surface."

☞ Subscribe for the DEMOCRAT.

—The Johnstown Democrat has raised its price to $3 a year. Considering all things, this will hardly pay.

—Charles Minot, Esq., has resigned the responsible position of General Superintendant of the Erie Railway which he has filled with great ability for several years past—his resignation to take effect on the first of January next.

—In addition to the suspicious circumstances attending the attempts made on the hotels in New York, one of the parties arrested, and arrested, too, under circumstances of strong suspicion, was identified before he was set loose as a colonel in a black regiment of Mr. Lincoln.

—Mrs. Dr. M. C. Egbert, of Venango county, Pennsylvania, has donated the sum of $5,000 toward giving the invalid soldiers in the hospitals of Philadelphia, including those in the twenty-fourth ward a Christmas dinner.

IMPORTANT TO ALL INVALIDS!

IRON IN THE BLOOD.

IT is well known to the medical profession that IRON is the vital principle or life element of the blood.—This is derived principally from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of

Iron as a Medicine,

is well known and acknowledged by all medical men.—The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hays, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

The Peruvian Syrup

is a protected solution of the protoxide of Iron. A new discovery in Medicine that strikes at the Root of Disease by supplying the blood with its Vital Principle or Life Element—IRON.

The Peruvian Syrup

Cures Dyspepsia, Liver Complaint, Drousy, Fever and Ague, Loss of Energy, Low Spirits.

The Peruvian Syrup

Infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution."

The Peruvian Syrup

Cures Chronic Diarrhœa, Scrofula, Boils, Scurvy, Loss of Constitutional Vigor.

The Peruvian Syrup

Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

The Peruvian Syrup

Is a specific for all diseases originating in a bad state of the Blood, or accompanied by Debility or a low state of the System.

☞ READ WHO SAYS ☜

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia:

I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

Yours Truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopia of Religious Knowledge, and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these bitters at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN, Philad'a.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church.

Dr. Jackson:—Dear Sir:—I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours, very respectfully,

J. H. KENNARD.

Eighth below Coates street, Philadelphia.

From the Rev. Thomas Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:—I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years, at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefited. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects. Respectfully yours,

T. WINTER, Roxborough, Pa.

From the Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

Dr. C. M. Jackson:—Respected Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health after having taken five bottles.

Yours, with respect, J. S. HERMAN.
