Cloaks,

MARKED BOWN,

They produce good effect upon disease almost immediately they are taken. By some wonderful power, produced to respect to the saved life.

These celebrated Vegetable Pills are no now, untried remedy; they have been used and tested in the United States for thirty years, and are relied upon by hundreds of thougands of families as almost their sole medicine when sick. No care or expense is spared in their preparation, and it is certainly true when I assert that no King can have a medicine saier or surer than Brandreth's Pills.

They produce good effect upon disease almost immediately they are taken. By some wonderful power, perhaps electric or nervous influence, the progress of diseased action is arrested; where watchfulness and pain have been present, the system becomes quieter, and the patient soon obtains refreshing sleep.

The gonuine BRANDRETH PILL BOX has upon it a United States Government Stamp with B. Brandreth in white letters in the same. [Jan.15—imp]

Thousands of animals have been cured of the colic and overheating by this Liniment; and hundreds that were crippled and lame have been restored to their former vigor. It is used by all the first horsemen throughout the States. Orders are constantly received from the racin's stables of England for fresh supplies of this invaluable article. Over 2.500 testimonials have been received. Remember, one dollar laid out in time may save the life of your horse.
