# BIOKRENE

Strength to the Weak! Youth to the Aged!

This preparation is unequalled as a Rejuvenator and Restorer of wasted or inert functions.
The aged should be certain to make the Biokrene a household god, inasmuch as it will render them youthful in feeling and in strength, and enable them to live over again the days of their pristine joy. It not only exhilerates but trengthens, and is really an invaluable blessing, especially to those who have been reduced to a condition of servility, self-abuse, misfortune, or ordinary sickness. No matter what the cause of the impotency of any human organ, this superb preparation will remove the effect at once and forever. BIOKRENE

cures incompetency, general debility, nervous incapacity, dyspepsia, depression, loss of appetite, low spirits, weakness of the organs of generation, imbecility, mental indolence, emaciation, ennui. It has a most delightful, desirable and novel effect upon the nervous system; and all who are in any way prostrated by nervous disability are earnestly advised to seek a cure in this most excellent and unequalled preparation.

Persons who, by imprudence, have lost their natural vigor, will find a permanent and speedy cure in the BIOKRENE.

The feeble, the languid, the despairing and the old should give this valuable discovery a trial; it will be found totally different from all other articles for the same purposes.

TO FEMALES.—This preparation is invaluable in nervous weaknesses of all kinds, as it will restore the wasted strength with wonderful permanence.

It is also a grand tonic, and will give relief in Dyspepsia the first dose. A brief persistence in its use will renovate the stomach to a degree of perfect health, and banish Dyspepsia forever.
