CITY POINT, Va., January 24, 1865. T. ALLOCK & Co.—Seeing your notice in the Police Gazette. I got four of your Porous Plasters and placed them on the place where the palns were most severe, and in less than twelve hours could walk as well as ever. I could hardly believe it, I was so well pleased. I want-ed to see if the lameners would come back on me or not, so I did more walking that day than I had done in a week. The next day I had some pain in my hip, but I put on a plaster there and in two I cours the pain was nll gone, nor have I felt it since. Certainly they are the best application for the relief and cure of pains in the joints and back, and for variscose or anlarged veins, I have ever known, and I would not be without them on any account.
