Mass Meeting and Pole Raising at Herrick Centre, ou Wednesday afternoon, Sept. 26th.

The people are respectfully invited to attend.

The Meeting Yesterday.

Notwithstanding the rainy day, our meeting was a success, in numbers, beyond the expectations of friends and enemies; and all passed off satisfactorily. Blair and Clymer were both present, and entertained the people with telling speeches. Ciymer's speech, although cut short by the lateness of the hour and threatening rain, was an unequalled effort of eloquence and power, and completely demolished the vile slanders of his would be defamers. As our paper went to press while the meeting was in progress, we can make room for no further remarks to-day.

Victory! Victory!

everywhere, and victory is within our grasp. But idleness and indifference does not hasten, but rather retards success .-Every Democrat should be active and exerthis influence in every available manner. The most effective agency is local organization. A glub should be formed and working in very town. Without this, victory will be less certain and decisive, and even made doubtful.

Fire in Montrose.

On Monday morning, about 1 o'clock, the barn attached to the old Keeler Hotel-stand, and one belonging to Jonas Mack, adjoining, were discovered to be on fire, and soon burned down. Exer-

in this paper.

The Great Bend colored organ has this: "FOR SHERIFF .- We hear it rumored that Mr. C. S. Gilbert, of our town, the bero of a half dozen Democratic defeats, received, the other day, the nomination of his party for the office of Sheriff. We wonder how long the gentleman will consent to be defeated. He should learn after a while that Susquehanna county has no office for him unless he changes his

Gilbert is white, and could not change color if he would. But as he always has been a good Democrat, opposed to "colored equality," he would not "change his color" or advocate negro equality to gratify radicals or obtain all the offices in the county.

A hetter man, however, cannot be named for Sheriff, even if he does prefer white to black.

Tickets, Tickets.

We expect to have the election tickets ready for delivery on the day of the Fair; and it will be the business of the President and Secretary of each club to see that the proper person calls at this office on the forenoon of Friday, the second day of the Fair, to receive a supply for the township.

Are you Assessed?

Every voter must see that he is assessed, for a personal tax, at least ten days before election, or lose his vote. Those not assessed last year, cannot vote now unless assessed.

Let every man see that himself and all his friends and neighbors are on the assessor's list.

Officers of clubs, and all Democrats who can look after such matters, will please not neglect this important duty.

Hundreds of votes will be lost in this county, if the assessments are not attended to. Every voter must pay a State and Coun-

ly tax, or lose his vote. Soldiers who have returned from service must be assessed now to secure their

Dinner at the Fair.

Ample provisions will be made on the Fair Grounds, during the Fair, at Stand No. 1, for judges, officers, superintendent and all others that wish to take dinner on the Ground. Roast meats, tea and coffee, with a variety of side dishes. Tickets Democratic prospects are brightening can be obtained of W. A. Crossmon, in front of the Stand.

TO A Candid Statement.—You can procure of any Druggist in this city and vicinity. Dr. Tobias' Venetian Liniment. It is a sure and speedy cure for sore throat, headache, toothache, chronic rhematism, colic, croups and pains in the limbs. We advise every one to give it a trial. The expense is a mere trifle—for cents—and we are confident no person will ever be without it. Every family should have a bottle in the house in case of sudden accidents, such as cuts, burns, scalds, &c. Its pain relieving qualities are miraculous. As for croup, it has saved hundreds; we have the certificates to prove it.

Allcock's Porous Plasters.-A celehated physician says. "he was amazed at the great number of beneficial indications produced by one of these plasters. He affirms that HEADACHE is cared by one worn just below the breast-bone; that one placed over the navel will care the hysterics, as well as dysentery, and affections of the bowels." CURE OF VARICOSE VEINS.

CURE OF VARICOSE VEINS.

CITY POINT, Va., January 24, 1865.

T. ALLCOCK & Co.—Seeing your notice in the Police Genzette, I got four of your Porous Pinsters and placed them on the place where the pains were most severe, and in less than twelve hours could walk as well as ever. I could hardly believe it, I was so well pleased. I wanted to see if the lameness would come back on me or not, so I did more walking that day than I had done in a week. The next day I had some pain in my hip, but I put on a plaster there and in two hours the pain was all gone, nor have I felt it since. Certainly they are the best application for the relief and cure of pains in the joints and back, and for variscose or enlarged veins, i have ever known, and I would not be without them on any account. Yours, truly.
