## COUNTY AFFAIRS.

Naturalization Papers. Every alien who has been a resident of the country three years or more, and has not filed his declaration of intention to become a citizen, should do so at once, so ss to enable him to become a voter for president in 1868. No witness is required to file a declaration, and the person can call at the Prothonotary's office

at any time and have it attended to. Will our Club officers and others see that every case of this kind is attended to at once?

#### CAMPAIGNS OF THE ARMY OF THE POTOMAC.

BY WILLIAM SWINTON.

The Standard History of the Grand Army. The greatest Work on the War. Universally endorsed by army officers and the press

The author says : "I design in this volume to record what the army did and suffered in ten campaigns and two score battles. "I shall have to celebrate the unswerving loyalty of this army, that ofttimes when the bond of military co-hesion failed, held it, unshaken of fortune, to a duty self-imposed.

hesion failed, held it, unshaken of fortune, to a duty self-imposed.

"I shall have to follow it through a checkered experience in a tale commingled of great misfortunes, great follies and great glories; but from first to last it will appear that, amid many buffets of fortune, through weather," the Army of the Potomac never gave up, but made a good fight, and finally reached the goal.

The "Army and Navy Journal" says:

"This is the only American critical work on the late wer, and it is thoroughly critical, and entirely divested of all political hue or tone."

This is the only Wistory of the "Grand Army" and

of all political hue of tone."

This is the only History of the "Grand Army," and no one who has borne a part in its confilets, or is interested in its grand achievements, should be without it. This work sells itself. The people are tired of political and partisan historics, and want something from official sources. We have agents clearing over \$200 per month. Send for circulars, and see our terms and proof of the above assertion
