

COUNTY AFFAIRS.

Local News.

We would be thankful to our friends throughout the county for such local news as will be of interest to our readers. Send us the facts, and we will put them in proper shape for publication.

Terms Cash.

We wish it distinctly understood that our terms for job printing, transient advertisements, &c., are cash. It is too much trouble to open a book account for a trifling amount; and we hope no friend will ask us to do so in future. The trouble, delay, and losses, in such trifling matters, cost more than the "patronage" is worth.—3w.

Donation.

The friends of Elder Thos. F. Clancy propose to make him a donation visit at the Baptist Church in Auburn, on Thursday evening, Jan. 3d, next, and invite all to attend and participate in the enjoyment of a social lecture and musical entertainment, and contribution.

Donation.

The friends of Rev. J. F. Wilber will give him a donation at Lynn, on Thursday, Jan. 10th, 1867, afternoon and evening. All are invited.

Agricultural Notice.

The annual meeting of the Harford Agricultural Society will be held in Harford Village, on Monday evening, Jan. 14th, 1867, for the election of officers and the transaction of business.

Mysterious Disappearance.

William Straney, for several years past a resident of Susquehanna Depot, mysteriously disappeared about a month ago. He had been with his son, at Nicholson, for four weeks, and on the 25th day of November took the evening mail train for Susquehanna Depot; since which time his friends have no tidings from him. He is an Irishman, about 65 years of age, of medium height, and heavy build, blue eyes, dark hair and whiskers turning gray. He wore a grayish sack coat, black pants, hat, and carried a bundle tied up in a red handkerchief with white spots.

Any one having any knowledge of such a person, will please give information, by letter or otherwise, to his son, Jas. Straney, at Nicholson, Wyoming Co., Pa.; or John Montgomery, at Susquehanna Depot, Susq. Co., Pa.

Reflections for January.

God continually presides over His Creation. Not to acknowledge the greatness and wisdom of God, in the least of His works as well as in great and extraordinary phenomena, betrays alike our ignorance and weakness.

The formation of man displays the powers and wisdom of God, as much as any of His works.

Our individual experience is sufficient to convince us that a Supreme Being suspends the thread of our destiny.

We cannot ensure for ourselves another moment's existence; a thousand unseen causes may hasten the period of its termination. What unknown evils may not be impending to stop the vital current, and forbid the pure air again to renovate our blood?

Every man may say, alas! I feel my helpless state. I have no power to remove the infirmities that afflict me, nor ability to avert the dangers that threaten, subject to a heavy train of bodily diseases and mortal imbecility. I feel that without the support of the Almighty I should be miserable.

The wonderful connection between my soul and body, the continual pulsation of my heart, the constant secretion and circulation of various fluids in my body, all depending neither upon my will or power, contribute to assure me there is a great and powerful Being at whose command these functions proceed with order and regularity, or stop and my present existence ceases.

If my breast still continues to heave, if the ruddy stream still warms my heart, if my muscles act with vigor, my senses remain preserved, it is from God alone I derive such choice blessings.

Why then do I so seldom think with gratitude upon the ways of Providence? Ought not the reflections now presented ever to be deeply graven on the tablets of memory; and should it not be our morning and evening care to muse upon, to admire, and to hail with gratitude the blessings of our Creator?—Sturm's Reflections.

State Pensions to Soldiers of 1812.

HARRISBURG, Dec. 28. State Treasurer William H. Kemble has directed to be prepared at once a list of the soldiers of 1812 entitled to pensions from the State of Pennsylvania. Separate lists for each county will, as soon as they are completed, be forwarded by Mr. Kemble to the Treasurers thereof, which officers will pay the semi-annual pensions due on the 1st of January, 1867.

A fire broke out in Elmira on Sunday morning, Dec. 23d, which destroyed all the buildings on Lake st., between Water and Carroll.

Loss \$500,000; insurance \$277,500.

Two recent decisions of the U. S. Supreme court confirm the opinion that the Southern States are members of the Union. Thus the decisions of the highest judicial tribunal of the land continue to approve the Democratic view of national affairs, and stamps the radicals as a party of law defying disunionists.

"The Negro Will not all Sugar."

Under this caption the Corry Telegraph, a radical organ, thus moralizes upon the negro suffrage investment of its party:

"One great reason for the advocacy of Negro suffrage urged by the Republican party is, that they will consider the Republicans their friends and vote for them. We have always contended that negro suffrage is only enlarging the area for political manipulation and bribery. The recent city election in Boston proves this opinion of ours, and shows the negro is not to be relied upon. On Tuesday the city election of Boston was held, and the negroes voted the Democratic ticket. The loss to the Republicans is one thousand votes, as compared with last year; while on the Democratic side there is a gain of nine hundred. We have enough of uneducated whites voting now, without adding still more ignorant negro voting."

Patriotism in 1864—No power on earth can or shall dissolve the Union. Patriotism in 1866—The Union is dissolved, and all who deny it are copperheads and traitors.

Treason in 1864—To speak disrespectfully of the President and his policy. Treason in 1866—To speak respectfully of the President and his policy.

Progressive Patriotism.

Patriotism in 1864—No power on earth can or shall dissolve the Union. Patriotism in 1866—The Union is dissolved, and all who deny it are copperheads and traitors.

New State Officers.

HARRISBURG, Dec. 26. Col. Francis Jordan, chairman of the last Republican State Central Committee, will be appointed as Secretary of the Commonwealth under Gen. Geary, the Governor elect. Benjamin H. Brewster, Esq., of Philadelphia, will receive the appointment of Attorney-General.

Good Advice.

The Mt. Gilead Register says: "See that every Democrat, Conservative, and doubtful voter in your neighborhood takes a Democratic paper."

More Indian Massacres.

The Indians are very troublesome, and the troops at Fort Philip Kearney have been almost in a state of siege for weeks. On the 22d a number of Indians came near the post, and Brevet Lieutenant Colonel W. J. Feltman, Captain J. H. Brown and Lieutenant Glummond, all of the eighteenth infantry, gathered hastily thirty nine men of company C, second cavalry, and forty five men of the eighteenth infantry, and went after the Indians. The troops were gradually drawn on until at a point four miles from the fort, when they were surrounded and slaughtered. Not a man escaped to tell the story of disaster. The bodies were stripped of every article of clothing, scalped and mutilated. Thirty bodies were found in a space not larger than a good sized room. Nearly all the bodies were recovered and buried in the fort.

The Richmond Dispatch says that the owner of the farm known as Dutch Gap, finding that the Island made by the cutting of Butler's canal could not conveniently be put to use without some means of communication with the main land, is filling up one end of the canal, in order to create a causeway, and the canal will soon be among the things that were.

To him that goes to law, nine things are requisite: "First, a good deal of money; second, a good deal of patience; third, a good cause; fourth, a good attorney; fifth, a good counsel; sixth, a good evidence; seventh, a good jury; eighth, a good judge; ninth, good luck. Even with all these, a wise man would hesitate before going to law."

The largest turkeys ever brought to this market were those raised by Sheriff Wilkinson, of Bucks County, in the prison yard of that place. They were brought to this city on Saturday last. One weighed forty two pounds, another forty four pounds, another fifty three pounds, and another fifty five pounds. The last was sent as a Christmas present to President Johnson.—Age.

Mrs. Francis Harper, a colored rival of the fairer Dickinson, is lecturing in Cincinnati. Her smiles are unique, the last is a companion of Mr. Johnson to a mustard plaster.

With four weights, of respectively one pound, three pounds, nine and twenty seven pounds, any number of pounds from one to forty may be weighed.

SOHNEN'S SEAWED TONIC.

This medicine, invented by Dr. J. H. SOHNEN, of Philadelphia, is intended to dissolve the food and make it absorbable, the first process of digestion. By cleansing the stomach with Sohnen's Seaweed Tonic, the food soon restores the appetite, and food that could not be eaten before is easily digested.

Consumption cannot be cured by Sohnen's Pulmonary Balm unless the stomach and liver be made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half dozen bottles of the SEAWED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

Dr. SOHNEN makes professional visits in New York, Boston, and at his principal Office in Philadelphia every week. See daily papers of each place, or his passport on consumption for his days of visitation.

Please observe, when purchasing, that the two thousand of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are the Government stamp.

Sold by all Druggists and Dealers, price \$1.50 per bottle, or \$7.50 the half dozen. All letters and orders should be addressed to Dr. SOHNEN'S Principal Office, No. 15 North 4th Street, Philadelphia, Pa.

Notice. The beautiful Piano of Casavant & Co. are deemed by all good judges to be the finest of instruments of the kind. We cannot suggest what is wanting to make a musical instrument more perfect, although we are slow to admit that the limit of improvement can ever be attained. Before they had brought their Pianos to their present excellence, they had submitted them to competition with instruments of the best makers of this country and Europe, and received the reward of merit, over all others, at the celebrated World's Fair. It is but justice to say that the judgment thus pronounced has not been overruled by the musical world. Still, by the improvements lately applied by them to their Pianos, it is admitted that a more perfect instrument has been made. They have accordingly achieved the paradox of making excellence more excellent—surely, after this, they are entitled to the motto, "Excelsior." (Class 10-17.)
