Tue Senate concurred in the house amendments to the bill giving 20 per cent. extra compensation to the civil employes of the government at Washington. The army appropriation bill was then proceeded with. The bill, with an amendment disbanding the militia in the Southern States, was passed .

In the House, in compliance with the demand made upon him by the resolution passed the day before, Mr. Wentworth made a report from the Presidential compromise investigation committee. The report confesses the inability of the comsuittee to discover anything improper.

On the 28th the senate concurred in the House amendments to the bill to temporily increase the pay of army officers. The oundbus appropriation bill then came up, the question being upon the amendment providing for the payment of assistant assessors in the Southern States, which finally passed.

AN IMPORTANT LAW SUIT .- The State of Texas, by their Attorneys, Geo. Taylor, R. J. Brent, and R. S. Merrick, has commenced a suit in the U.S. Supreme Court to recover \$100,000 worth of Texas indemnity bonds, alleged to be still the property of the Commonwealth, but improperly obtained by parties in the North rom a Military Board in that State during

the rebellion. This will bring the question : Has Texas the existence and powers ef a State? Before the Court, and its decision will be naturally looked for with great interest.

THE SIZE OF CISTERNS .- A cistern 5 feet in diameter will hold a fraction over five barrols for each foot in depth; 6 feet, a fraction over 7 barrels per foot; 7 feet, 9 barrels per foot; 8 feet 11 barrels per foot; 9 feet, 15 barrels per foot; 10 feet, 18 barrels per foot. The last named figure is quite a large size for a family cistern, and 19 feet in depth is as much as we often find, the contents of such a one, according to estimate, would be 10x18cisterus of smaner size."

-The Boston Commonwealth, a Radical negro organ, calls for a "lieutenant general who will be governed by a higher law than the orders of his superior." The Nation replies by saying that " this form of public nuisance is found in perfection only in Spain and Mexico, where each general has a 'higher law' of his own, and we know the result."
