

COUNTY AFFAIRS

Donation: A Donation will be given in the basement of the Baptist Church in Montrose for the benefit of Elder B. C. Morse, on Friday afternoon and evening, March 8th, 1887. The friends and the public generally are invited to attend.

Assistant Assessor: F. M. Williams, Esq., of Montrose, has been appointed assistant assessor, in place of Casper W. Tyler, Esq. Office with the assessor. As the assessor's commission expires on the 4th, and the law seems to place the duties upon the assistant, the contingency is amply provided for, until the Senate will confirm appointments or adjourn.

Since going to press we learn that the Senate did not confirm the assessor on Sunday morning. Mr. Williams has already taken possession of the office.

Postmaster Rejected: Among the Postmasters reported as rejected by the Senate, in Saturday's papers, appeared the name of Daniel Brewster, P. M. at Montrose. Mr. B. has made an excellent postmaster—the office has not been as well attended for many years, as during his occupancy for the past three months. But as he is a Union man, he is rejected by the Senate in the hope that the President will appoint a disunionist or some one who will play second fiddle to them in return for confirmation.

It is said that Wm. L. Post, once President of a Bank is likely to be appointed as the choice of the radicals—special influences being used towards that end.

Fire in Thomton: Mr. Editor: Please insert in your paper, for the information of friends, that on the evening of the 20th inst., the dwelling house of Cyrus Hall, Esq., of Thompton, this county, was destroyed by fire with all its contents. The origin of the fire is unknown, the family being all away from the house at the time. All the furniture and clothing except the every day wearing apparel which they had on, together with the office books, and papers of Esq. Hall were destroyed.
