Fire at Great Bend.

We learn from the Pennsylvanian that a fire broke out at Great Bend on Monday night last, which destroyed the two buildings known as the Wolcott Block, and damaged two small buildings of W. Paintin.

The principal losers by the fire are W. S. Wolcott, C. H. & T. F. Shipman, Elias W. Beckwith, Erastus Green and Walter Paintin. Walcott's loss, above insurance, will not exceed \$1,000. The Shipman loss from \$500 to \$800 above insurance. Beckwith, whose photograph rooms were over the flour and feed store of the Shipmans, lost his entire stock-insured for \$800, about \$400 less than loss. His family escaped with very little clothing, and but one bed. Paintin's loss is from \$500

The origin of the fire is unknown. It was probably from accident.

Mr. Wolcott broke ground and commenced building again on the morning after the fire. Paintin is also at work repairing the damage done to his buildings.

Burglar Arrested.

Deputy Sheriff Truesdell of Susquehanna co. Pa., arrived in Binghamton, Saturday afternoon, with a description of a colpred man named Simon Rivers, stating he had broken open a house and robbed a man named James Tucker, at New Mil- throat after an unusual exertion of the vocal organs ford, in that county, of about \$500, and The Troches are recommended and prescribed by Physion. admit that the limit of improvement can ever be attained.

Before they had brought their Pianos to their present excellence, they had submitted them to competition with instruments of the best makers of this country and Europe, and received the reward of merit, over all others, at the celebrated World's Pair. It & butjustice to say that the judgment thus pronounced has not been overruled by the musical world.

Still, by the improvements lately applied by them to their Pianos, it is admitted that a more perfect instrument has been made. They have accordingly achieved the paradox of making excellence more excellent.—Surely, after this, they are entitled to the motto, "Excelsior".
