

tion declaring that the insurrection was at an end, and was thenceforth to be so regarded.

And whereas, There now exists no organized armed resistance of misguided citizens, or others, to the authority of the United States, in the States of Georgia, South Carolina, Virginia, North Carolina, Tennessee, Alabama, Louisiana, Arkansas, Mississippi, Florida and Texas, and the laws can be sustained and enforced therein by the proper civil authority, State or Federal, and the people of said States are well and loyally disposed, and have conformed, or, if permitted to do so, will conform in their legislation to the condition of affairs, growing out of the Amendment of the Constitution of the United States, prohibiting slavery within the limits and jurisdiction of the United States;

And whereas, There no longer exists any reasonable ground to apprehend within the States which were involved in the late Rebellion any renewal thereof, or any unlawful resistance by the people of said States to the Constitution and laws of the United States;

And whereas, Large standing armies, military occupation, martial law, military tribunals and the suspension of the privilege of the writ of habeas corpus, and the right of trial by jury, are in time of peace dangerous to public liberty, incompatible with the individual rights of the citizen, contrary to the genius and spirit of our free institutions and exhaustive of the national resources, and ought not therefore to be sanctioned or allowed, except in cases of actual necessity for repelling invasion or suppressing insurrection or rebellion;

And whereas, A retaliatory or vindictive policy, attended by unnecessary disqualifications, pains, penalties, confiscations and disfranchisements, now, as always, could only tend to hinder reconciliation among the people and national restoration, while it must seriously embarrass, obstruct and repress popular energies and national industry and enterprise;

And whereas, For these reasons it is now deemed essential to the public welfare and to the more perfect restoration of constitutional law and order, that the said last mentioned proclamation, so aforesaid, issued on the twenty-ninth day of May, Anno Domini one thousand eight hundred and sixty-five, should be modified, and that the full and beneficent pardon conceded thereby should be opened and further extended to a large number of the persons who by its aforesaid exceptions have been hitherto excluded from Executive clemency;

Now, therefore, be it known that I, Andrew Johnson, President of the United States, do hereby proclaim and declare, that the full pardon described in the said proclamation of the 29th of May, Anno Domini 1864, shall henceforth be opened and extended to all persons who directly or indirectly participated in the late Rebellion, with the restoration of all privileges, immunities and rights of property, except as to property with regard to States, on upon this condition, nevertheless: that every such person who shall seek to avail himself of this proclamation shall take and subscribe the following oath, and shall cause the same to be registered for permanent preservation, in the same manner and with the same effect as with the oath prescribed in the said proclamation of the 29th day of May, 1865, namely:—

"I do solemnly swear (or affirm), in the presence of Almighty God, that I will henceforth faithfully support, protect, and defend the Constitution of the United States and the Union of the States thereunder, and that I will in like manner abide by and faithfully support all laws and proclamations which have been made during the late Rebellion with reference to the emancipation of slaves. So help me God."

The following persons and others are excluded from the benefits of this proclamation of the 29th day of May, 1865, namely:— First, The chief or pretended chief executive officers, including the President, the Vice President, and all heads of departments, of the pretended Confederate or Rebel Government, and all who were agents thereof in foreign States and countries, and all who held or pretended to hold in the service of the said pretended Confederate Government a military rank or title above the grade of brigadier-general, or naval rank or title above that of captain, and all who were or pretended to be Governors of States, while maintaining, abetting or submitting to and acquiescing in the Rebellion.

DEMOCRATIC STATE TICKET.

JUDGE OF SUPREME COURT,
HON. GEORGE SHARSWOOD,
PHILADELPHIA.

COUNTY TICKET.
FOR CONGRESS,
GEORGE W. WOODWARD,
of Luzerne County.

FOR REPRESENTATIVES,
HIRAM WHITE, of Lenox.

FOR COMMISSIONER,
CHRISTOPHER C. MILLS, of Dimock.

FOR JURY COMMISSIONER,
DANIEL BREWSTER, of Montrose.

FOR TREASURER,
WINSLOW B. GUILLE, of Harford.

FOR AUDITOR,
ELLIOT ALDRICH, of New Milford.

Election, Tuesday October 8th, 1867.

For Congress.

The Conferees met at Scranton on Saturday, and, on the 6th ballot nominated Hon. Geo. W. Woodward to fill the unexpired term in Congress. Report of conference in next issue.

Judge Woodward for Congress.

The nomination of Chief Justice Woodward to fill the vacancy in Congress from this district, will meet the hearty approval of the Democracy, not only in the district but throughout the country. Personally and politically no man is more highly respected and beloved by the people. But it is his superior intellect, learning, and experience, so eminently fitting him to adorn the station, that caused the people to spontaneously demand that he should fill the vacant term. He will carry with him an influence second to none other who will occupy a seat in the national councils, and our people may well be proud of such a representative, more especially as the nomination was not sought by himself or his family, but is a free-will offering of the people.

Radical Corruption and Defeat.

It was, in part, the infamous corruption that hung around the Radical party in California that so signally defeated their ticket in the Golden State. Mr. Thaddeus Stevens has indicated the same fate for the Radicals in Pennsylvania: "I fear," said he, "we shall lose Pennsylvania this next election. I do not think we have earnestness enough in the State to unite and draw out the Republican strength, while the Republican portion of our Legislature has been so openly, notoriously and shamefully corrupt, that all the honest people in the State are disheartened and disgusted."

Connecticut and California.

The following agreeable correspondence recently took place by telegraph between two Democratic Governors. We never read anything in English that pleased us better:

New Haven, Conn., Sept. 9, 1867.
Hon. Henry H. Haight, Governor elect of California, San Francisco:
I congratulate you on your election. It will gladden the friends of constitutional liberty the country through.

JAMES E. ENGLISH.

THE ANSWER.

SAN FRANCISCO, Cal., Sept. 10, 1867.
To Governor James E. English:
Thanks for your dispatch: California has echoed the voice of Connecticut. You set us a glorious example. We have but followed where you led in the sacred cause of constitutional liberty.

H. H. HAIGHT.

San Francisco.

In 1865 San Francisco gave the Radicals 886 majority. At the late election the Democrats carried the city by 3,848 majority—holding every ward but one.

Luzerne County.

The Democracy of Luzerne county held their convention on the 10th inst. Judge Woodward was nominated for Congress on first ballot over J. B. Stark. The convention was harmonious, and the ticket is a first rate one. Several soldiers were given important offices. We append the ticket.

For Congress, Hon. George W. Woodward, of Wilkes-Barre. [Subject to decision of the Conference of Luzerne and Susquehanna.]

For Additional Law Judge, Gen. E. L. Dana, of Wilkes-Barre.

For Assembly, Wm. Brennan, Carbondale; James McHenry, New Columbus; Capt. S. F. Bossard, Scranton.

For Prothonotary, Michael J. Philbin, of Jenkins.

For Clerk of the Courts, Col. Samuel Bowman, of Wilkes-Barre.

For District Attorney, D. L. Rhone, of Wilkes-Barre.

For Treasurer, Neil McGroarty, of Foster.

For Commissioner, Michael Rabert, of Nescopeck.

For Jury Commissioner, Nathan Koehler, of Lake.

For Auditors, E. A. Franklin, 3 years; Reuben Downing, 2 years; Wesley Moss, 1 year.

The following are the resolutions adopted:—

Resolved, That the Democracy of Luzerne county re-affirm the Jeffersonian principles and doctrines of the equality of States—the binding force of the Constitution, as the law of the land—the superiority of the white man, and his right to rule and administer the government of his own construction, without any extraneous assistance in the shape of negro suffrage or negro equality.

Resolved, That in the emergency now upon us, as a part of a common country, it is the duty of this Convention to place in nomination, as a representative in the councils of the nation, the ablest and best of our citizens.

Resolved, That in George W. Woodward, the patriot, jurist and statesman, we behold the man of our choice, and to perfect the desire of the Convention S. M. Wheeler, James Garrahan and Dr. Harry Hakes, be the Conferees to meet like Conferees of our sister county.

The Elections!—Democratic Victories!

—The Days of Radicalism Numbered!

The recent elections show that a complete revolution in political affairs is taking place. The Democratic victory in Connecticut was the beginning of the end. The tide has turned everywhere, and in October and November the Democracy will have swept the Radicals from power in a majority of the Northern States.

Massachusetts.—The Democratic Victory!

As a result of the United States Senator, (in place of Conness), and three members of Congress, besides the Governor, Lieutenant Governor, Secretary of State, Comptroller, Treasurer, Surveyor-General, Attorney-General, Harbor Commissioner, Clerk of Supreme Court, State Printer, a majority in the Legislature and several hundred minor officers.

August, Me., Sept. 9.—Radicalism has culminated in Maine.

To-day the Radical party has received a blow from which it can never recover. Chamberlain, the Radical candidate for Governor, has had his immense majority of last year, which was rising 27,000, cut down at least two-thirds.

Pillsbury, the Democratic candidate for Governor, has swept the State like wildfire.

In every place of importance from Kittery to Passamaquoddy, the Radicals have met with immense losses.

VERMONT.—The Radicals have carried Vermont again this year, but the majority has been cut down several thousands, the Democratic vote being larger than last year, and that of the Radicals smaller.

To the House of Representatives at least 30 per cent. more Democratic members have been chosen this year than last; and for the first time for more than ten years the Democrats have gained a representation in the State Senate.

Address of the Democratic State Committee.

DEMOCRATIC STATE COMMITTEE ROOMS,
No. 738 Sansom Street, Philada. Sept. 9, 1867.
To the People of Pennsylvania:

The Radicals attempt to evade the practical issues of the canvass and to delude you into the support of their candidates.

They alone are responsible for the prostration of your business interests. They have deliberately sacrificed them in order to place in the hands of the Southern Negroes the balance of power in the Republic, and thus preserve their own rule.—More than two years have passed since peace was restored, and we still look in vain for increased products from the South to aid us in paying the interest on our debt, and for her prosperous customers to buy our woolen, iron and other manufactures.

Instead of receiving aid to pay our debt, we are taxed to maintain a freedman's bureau and a standing army in the South. Instead of prosperous customers to increase our trade, every business interest languishes.

Radical mismanagement, a negro policy, and Radical extravagance, weigh down our energies and fetter our resources.

The whole expense of the War Department in 1860 was sixteen and a half millions, whilst in 1867 it is estimated by the Treasury at forty-seven millions, both being periods of peace. To give the negro the power to rule us, therefore, costs the nation annually thirty millions. Of this amount, Pennsylvania's share is at least one tenth, and your industry must annually pay three millions of dollars to support a policy that closes your woolen mills and stops your factories.

In your State affairs, mismanagement, corruption and extravagance are the rule. In 1860, under Democratic power, the whole amount of money appropriated and expended, independent of funded debt and military expenses, as shown by the Treasury, was NINE HUNDRED AND NINETY EIGHT THOUSAND DOLLARS. In 1864, excluding the same items, the Radicals appropriated and expended one million three hundred and seventy nine thousand dollars. In 1865, excluding the same items, the Radicals appropriated and expended one million five hundred and nineteen thousand dollars, and in 1866, excluding the same items, they appropriated and expended two millions and eleven thousand dollars.—The reports of the Auditor General show these facts, and prove that in six years of Radical rule, your cash expenses have more than doubled.

The men who have thus wasted your substance, prate of their loyalty and their sacrifices, and would maintain their hold upon the treasury by fixing your attention upon other issues. You are oppressed by taxation through internal and other machinery, as no other people ever were. It takes from you your legitimate profits and gives you no customers. It compels you to stop manufacturing and to discharge your workmen. Your goods can you expect relief from this grinding taxation, so long as these enormous expenditures continue. Relief can only come through economy in public affairs, a reduction in your expenses, and the discharge of corrupt and extravagant officials.

It is their purpose to violate the great principle, "that each State has the right to determine the qualifications of its own electors," and give the negroes of Pennsylvania the balance of power between the two great political parties. Negro suffrage is to be forced upon you by Congressional enactment, and your "Supreme Court is to be placed in harmony" with that law, by electing Judge Williams, who is relied upon to decide that the negro is entitled to a right which you and your organic laws deny him. In the Senate of the United States, in July last, the recognized leader of the Radicals of this State, voted to proceed to consider a bill that was introduced by Wilson of Massachusetts, to effect this infamous purpose.

Democrats of Pennsylvania!

Let the result in California arouse you to renewed exertion. Work is to be done, and you must do it. Committees may plan and order, but the result depends upon yourselves. Individual effort is the road to victory. See your neighbor, encourage him, bring him to the polls. Perfect your organizations. Block your wards and townships. Subdivide the labor and perform it with energy.

Press home upon your adversaries the real issues of the canvass. Demand of them that they shall answer:

Are you for or against the Radical policy that destroys our business and closes our workshops, mills and factories, to give the negro the balance of power?

Are you for or against continued corruption, mismanagement and extravagance?

Are you for or against conceding to Congress the right to allow the negro the power to rule Pennsylvania?

By order of the Democratic State Committee.

WILLIAM A. WALLACE,
Chairman.

Dyspepsia.—There is no disease which excites less sympathy, and is more remediable by the Peruvian Syrup, (a protected solution of the Protochloride of Iron) as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as ample testimony of some of our first citizens proves.

From the venerable Archdeacon Scott, D.D. DUNHAM, Canada East.

"I am an inveterate Dyspeptic of more than 25 years standing. I have been so wonderfully benefited in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. I feel as if I have been cured of a chronic ailment. I am widely known, and can but recommend to others that which has done so much for me."

Another Clergyman writes as follows: "My voyage to Europe is indefinitely postponed. I have discovered the 'Fountain of Health' in the Peruvian Syrup, which has cured me from the fangs of the fend Dyspepsia."

A pamphlet of 82 pages, containing a history of this remarkable remedy, with a treatise on "Iron as a medicine," will be sent free to any address.

New Advertisements.

SIGNIFICANT.

The new system of advertising adopted by Geo. P. Rowell & Co. Advertising Agents, No. 40 Park Row, New York, is attracting a good deal of attention.

The following extract from a speech delivered before the N. Y. State Editorial Convention (lastly held at Penn Yan) by a prominent advertising agent of N. Y. City, goes to show that he at least acknowledges their advantages:

From Jamestown, N. Y. Journal of Aug. 2nd, edited by C. E. Bishop, Chairman of Committee on Advertising Agencies.

"Mr. Pettigill spoke in opposition to that plan which the publisher's stand point alone. He showed that, if by this system of contracting they were able to give lower rates than they were giving their customers; that they were selling one portion of their paper to be used to complete with and under the other column; that if the publishers, fully understanding this, still wished to continue to treat our business—like a system by Pettigill & Co.; would cease trying to get advertising for the papers at their regular rates, and go into the other system of contracting—which he could stand if the printers could."

The anxiety on the account of newspapers is realized for. There is not one in ten that would not prefer to receive all their foreign patronage on this plan, when it is fully understood. It is too generally recognized as thoroughly beneficial to all parties concerned to be injured in the least by anything which may be said against by interested parties.
