This medicine, invented by Dr. J. H. SOHENOK, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing th[®] stomach with Schenck's Mandrake Pilla, the Tonic soon restores the appetite, and food that could not be enten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption.
