

The Banner Town.

Some of our towns have done well; others might have done better. We have not yet had time to compare results to see which is the BANNER TOWN, but will try to do so next week.

Large amounts of counterfeit or duplicate government bonds are in existence, some of which have been redeemed at the Treasury before being detected.

Address of the Democratic State Committee.

DEMOCRATIC STATE COMMITTEE ROOMS, Philadelphia, October 9, 1867.

To the Democracy of Pennsylvania: Victory crowns your efforts and Pennsylvania is redeemed.

The Keystone proclaims her hatred of despotism, her fealty to the law, her fidelity to the Constitution.

You have elected Judge Sharswood, a representative man, to the Supreme Bench; reversed the majority of last year, and added to the number of your Senators and members of the House of Representatives.

New York and New Jersey will follow where you have led, and the future is your own if you will grasp it.

To four uniting efforts in the work of organization is this result mainly due, and to you belongs the honor of the triumph.

New honors await you, new labors are before you.

You have won the fight for position, let us now prepare for the great battle of the coming year.

Pledging ourselves to the maintenance of a government of law for the entire Republic, to the preservation of the supremacy of our own race, to the development of our immense resources, to the reform of abuses, corruption and extravagance, and through these to the relief of the taxpayer, and the payment of the public debt, let us move resolutely forward.

By order of the Democratic State Committee. WILLIAM A. WALLACE, Chairman.

Destructive Fire in Owego.

About 5 o'clock Saturday morning a fire broke out in Owego, in the English ale brewery, owned by T. Bullock, on Front street, nearly opposite the Park, which being fanned by the wind that was blowing a gale, soon showed signs of becoming a destructive conflagration.

A general alarm was given, and the Owego firemen were soon out, battling the fire with no prospects of overcoming it, as the flames continued to spread with frightful rapidity.

Dispatches were sent to the Binghamton and Elmira fire departments for aid. A brewery, spreading from thence up and down Front street, burning off one section of the Susquehanna river bridge, passing Front, Court and Park streets, consuming in its course Cameron's and Bloodgood's large grocery stores; Camp's ironworks and foundry; the new masonic hall of Abwaga lodge, just furnished in splendid style; the United States Express office, and twelve or fifteen other smaller establishments.

We heard the losses by fire variously estimated all along from \$100,000 to \$200,000, but the prevailing opinion seemed to fix the loss at \$150,000. There was from one to one and a half acres of ground burned over.—Owego Gazette, 3d.

Too Much Negro.

A prominent Radical politician of Cambridge county, who, like John Hickman, goes "for the bigger and against Andy Johnson," recently had occasion to visit this city in company with his wife. At one of the railway stations he left his seat for a few minutes, and on returning found it occupied by a big nigger, whose presence was very disgusting to his wife. The negro was requested to vacate the seat, but declined doing so, intimating that he had rights under the law which white men were bound to respect, and having possession of the seat would not relinquish it.

The advocate of degro equality did not relish this practical illustration of his favorite theory, and threatened to have the negro ejected from the car. The conductor was appealed to, but refused to interfere, not wishing to be prosecuted under the law passed last winter by a Radical legislature granting negroes equal privileges with white men in rail-road cars, and making it an offence punishable by fine and imprisonment to interfere with negroes in the occupancy of any car or seat set apart for the accommodation of passengers.

The white Radical stormed, swore and threatened, but all to no purpose, for his colored brother remained quietly seated in the exercise of his "rights," moved neither by persuasion or threats. There being no other seat vacant, the lady was obliged to tolerate the negro's company until the arrival of the train at the Harrisburg depot, while the irate husband had to smother his wrath and content himself with a standing position. The Radical alluded to is not near so much in favor of negro social equality now as he was before the occurrence of this little incident. He thinks "too much nigger" is not good, and has subsided on that question.—Harrisburg Patriot.

Question for Radicals.

Have you heard the news from Connecticut, California, Maine, Montana, Pennsylvania, Ohio, Indiana and Iowa?

THE ELECTIONS.

GLORIOUS DEMOCRATIC VICTORIES.

Ohio, Iowa, Indiana, California, Connecticut, Pennsylvania.

NEW YORK, NEW JERSEY, AND MINNESOTA WILL FOLLOW IN NOVEMBER!

A Democratic President in 1868!

Read Our Victories!

IN OUR DISTRICT,

We have elected Judge Woodward to Congress by over 500 to 1000 majority, after a desperate fight against a corrupt combination of Radical falsehoods, greenbacks, and sore-headed "Democrats," who, failing to rule, were determined to ruin.

IN PHILADELPHIA,

We have overcome the Radical majority of 3588 last year, and elected the whole Democratic city ticket by handsome majorities. Judge Sharswood has a majority of 2485; Judge Ludlow, Dem., for the Court of Common Pleas, has a majority of 5560; Gen. Lyle, Dem., for Sheriff, a majority of 3952; Gen. Leech, Dem., for Register of Wills, 1198; Megary, Dem., for Clerk of Orphans' Court, 1317; Maj. Pierson, Dem., for Treasurer, 2112; Gen. Ballier, Dem., for Commissioner, 1734.

The Old Keystone is finally redeemed! The Radical majority of 17,178 for Gov. in 1866 is wiped out, and we have elected Sharswood to the Supreme Bench by 2000 to 3000 majority, a gain in one year of

TWENTY THOUSAND!

Together with several Senators and Representatives.

OHIO!

The Buckeye State has done gloriously! The 40,000 radical majority of last year has been brought to naught; the negro amendment is beaten into the ground; the count for Governor is close; the Legislature is Democratic in both branches, securing a DEMOCRATIC U. S. SENATOR in place of Ben Wade!

In the Second District, the radical candidate for Congress is defeated—a loss to them of near 3,000.

INDIANA!

In this State, the contest was only for county officers; but the returns show immense Democratic gains,—rendering the State sure for 1868.

CONNECTICUT!

The Connecticut Town Elections are favorable to the Democrats. The radicals have gained none as compared with last fall, but the Democrats have gained five towns, viz: New London, Glastenbury, Lyme, Seymour, Killingly. Besides these the Democrats carry Andover, Windsor, Waterford, Preston, Bristol, Hartland, Burlington, and the cities of Middletown and Waterbury by large majorities. The radicals carry Moreland, Norwich, Windham, Brooklyn, Thompson, Berlin, Putnam, Guilford, old Republican towns, by greatly decreased majorities. The Democrats gain on the popular vote and majorities everywhere.

Iowa does not seem to have got the wool all off her eyes; and, together with Massachusetts and Montrose, hangs trembling to the tail of the shattered radical kite.

UNIVERSAL REJOICING

Prevails throughout the country at these grand triumphs; as they secure a Democratic President in 1868, and union, peace, prosperity and happiness to the country.
