

Local Intelligence.

County Committee. The Democratic County Committee will meet at Koon's Hotel, in Montrose, on Wednesday, Feb. 12th, 1888.

The Assessorship. On Friday last a change took place of assessor and clerks. The officials in this county are now as heretofore:

Assessor, Wm. M. Post; Clerk, Geo. A. Jessup; Assistant Assessor, E. W. Boyle, of New Milford, and A. J. Gerrison, of Montrose.

Political changes are constantly occurring all over the country; most of them being from the dark to the white side.

Church Dedication. The renewed M. E. Church of Brooklyn, Pa., was yesterday dedicated to God and His service.

Donation. The friends of the Rev. S. F. Brown, are invited to make him a donation on Feb. 12, afternoon and evening at the house of N. Reynolds, in east Bridgewater.

West Auburn P. O. Abram White has been appointed Post Master at West Auburn, in place of James A. Lacy, resigned.

The "World" Almanac. We acknowledge the receipt of a copy of the World Almanac, with the compliments of Manton Marble.

Tailoring. Gentlemen's own materials made up; cutting done, clothes cleaned, repaired, and pressed, cheap, at E. L. Weeks.

Extensive Sheriff's Sale. Sheriff Van Leer advertises the whole of the property of the Union Coal Company in Luzerne county for sale, including their railroad from Green Ridge to Wilkes Barre, their collieries, and their appearances at Mill Creek and vicinity.

Insane Hospital. The Committee of the Medical Society of the State of Pennsylvania, appointed to prepare a memorial to the Legislature, "setting forth the number and condition of the insane of this Commonwealth, and the urgent necessity for more extended means for their proper care and treatment," present facts and statements, drawn from the observation and experience, and publish their memorial in a sixteen page pamphlet.

The Philadelphia Sunday Transcript, an original Grand paper, in speaking of Gen. Grant, says that he has "forfeited all claim to respect as a gentleman, or confidence as a soldier," and that "he has suffered his lust for office to over ride his manhood, and furthermore says, "a candidate who commences his career in deceit will not fail to find shame, if nothing worse in the end."

The body of Captain Beher, who mysteriously disappeared from Pottsville Pa., two months ago, is ascertained to have been thrown into a coal slope five hundred feet deep and filled with water. A son of a partner of the deceased disclosed the crime, and all the parties implicated have been arrested. The motive of the murder is supposed to have been the securing of a lease of a valuable coal mine. The names of the partners are Smith and Albrighton.

Ten million dollars of the Union Pacific Railroad bonds have been sold, and the Company have advanced the price to ninety-five cents on the dollar.

The barque Wapella, from New Orleans for Liverpool, went ashore on the Coast of Wales during a heavy gale, and became a total wreck. One woman and three of the crew alone were saved.

Mr. Editor:— I find in the last issue of the Democrat a "Teacher's Defence" against the action taken by the Teachers' Institute in January following resolution: "Resolved, That the names of such teachers as have willfully neglected this golden opportunity, after receiving proper encouragement from the board of directors employing them, are no longer worthy of a place on the roll of Teachers."

This resolution refers only to those teachers who willfully neglected to attend the gathering of teachers after receiving proper encouragement from the directors (and I deem their "free permission" the proper encouragement) the writer evidently opposes the workings of the Common School system in this vital particular, the holding of Teachers Institute, for it is written "he that gathereth not with me scattereth himself abroad."

Now, the law makes it imperative upon the County Superintendent to invite these Institutes, to call upon and invite the teachers to attend, and should they refuse to respond to the invitation, his efforts to carry out the requirements of the law would be utterly futile, and those who did absent themselves without a good and sufficient reason, certainly have a want of professional spirit and zeal in the cause of popular education, and should receive a lower grade on their certificates than those who do attend.

Rev. D. C. Oinstead will hold Quarterly Meeting in the M. E. Church of Montrose, next Saturday and Sabbath, (8th ult.)

Radical Defeat. The Commercial Advertiser, a leading Republican paper, says:

The lesson so frequently, and with such effect, taught the rebels, proves of no value to the Radicals. They blindly prefer a course which is sure to overwhelm them. The measures kindred to these now being perverted by Congress cost the Republican party its ascendancy in six States.

The Republican party is pressing issues into the Presidential canvass which will ensure its defeat. It cannot safely wage war upon the Supreme Court, in the present temper of the public mind, even with the help of the negro vote which it aims to secure by its action.

The Actual Service of Black Troops. There has been such a deal of clamor about the "loyalty" of the negroes in the South, and the services rendered by them in putting down the rebellion, that the following figures from the bureau of colored troops will be interesting:

Table with 2 columns: Category and Count. Whole number mustered in during the rebellion, 169,624. Mustered out, 86,923. Discharged, (principally for physical disability), 20,236. Died, 31,896. Deserted, 14,887. Killed in action, 1,514. Missing in action, 1,344. Transferred to navy, 366.
