Fire in Gt. Bend.

The house of James Worden, in Great Bend township, was destroyed by fire a few days ago.

#### Tribute of Respect.

At a meeting of the Montrose Engine Company No. 2, held Feb. 22d, 1868, the following preamble and resolutions were

moved from our midst Henry Drinker, Esq. a member of this Company, therefore Resolved, That we recognize in our de-

suffering and needy Resolved, That we deeply sympathize

with the family of the deceased, who have suffered the loss of a devoted and affectionate husband, a kind indulgent father and protector. Resolved, That a copy of the foregoing

be furnished the family of the deceased. A. CHAMBERLIN, A. J. Generation, Committee. A. TURRELL.

#### No. 2 Festival.

The Montrose Fire Co. No. 2 assembled at the Franklin Hotel on Saturday evening, Feb. 22, for their Annual Supper.

After partaking of a most bountiful repast, and listening during the interval to the music of the Montrose Cornet Band, the company listened to responses to the toasts prepared for the occasion. A. J. Brewster introduced a "play"

response to the following toast: "Our Working Members .- All work

and no play makes Jack a dull boy." Although it was hard work to hear all the answers, the play went off well.

"Our Hon. Members-honor to whom honor is due."

Response by J. B. McCollum, Esq. His remarks were very appropriate; and we regret we are unable to give a full report. "Our Town Council—they propose and

we dispose." Response by A. Chamberlin, E-q. The nies of Montrose by building cisterns and reservoirs, and in procuring Hose for the Engines. As a member of the Council he would encourage the Fire Companies, and A Mills J Witter insps. that the council would meet any reasona-

ble demand. "Our History.-We glory in our

F. B. Chandler became eloquent over the historical relations of our Company. He enlarged upon the inability of the Rough and Ready Fire Co to protect the town; that our Conneil saw the necessity of another Engine, and ordered the one we now have, against which several citizene sent a remonstrance. He gave a list of some of the pioneer members, and told how we came up to our present position through trials and discouragement, overcoming obstacles and surmounting R Foran judge; F P Ryon H Gammon properties unrivalled. would be without their instruments, or this occasion without the supper. Having no speech prepared, and fearing he might fail to make any original suggestions that will fully impress upon our minds the Maynard, G. W. Bailey insp; J. Dubois fail to make any original suggestions that practical point which he had in view, let me guote a not unfamiliar charity sermon from the text, "He that giveth to the Poor lendeth to the Lord." The sermon was-" If you like the security, down with the dust." So if we would merit protection from the fiery element let us act upon the bint, and the short comings of this response can be made up in legal tender. "A watchful eye" will not only guard the funds in the treasury, and note that others pay their dues, but see that its possessor contributes a liberal portion. "A prayerful heart and a helping hand" are inseparably connected both in the Edwards treas. toast and in practice, for no matter how full the heart my swell with good intent, the hand must be freely extended or we cease to be honorary members. But let cease to be honorary members. But let Webb judge; PL Norton and HO Bross us each have a watchful eye, a prayerful insp; J D Shutts clk; T J Nicholson heart and a helping hand, and we will not trens. fail in raising Our Revenue.

"Our Fire Department-In union there is strength."

E. C. Fordham, Foreman of R. & R. Co. responded. No town of the size of Montrose had as good a Fire Department: that nowhere in the State of Pennsylvanis could you find any two companies who had Button's Engine that could do as well as we could at a fire. The working members have kept up the company by untiring effort and sacrifices from their own purses. The Town Council help the Fire Companies, but not enough. The cost of oiling the hose as it should be is at least \$10. The Wide Awake Company has disbanded, which is to be regretted.

Chamberlin, R. Kennedy, G. L. Stone and Abel Turrell also contributed. A. J Gerritson said iit must not be supposed that be meant to fail to butter his own toast, which he did to the tone of a V. W. L. Cox hoped, the hon, members treas.

would not think we had taken this method to get money from them. Just before adjournment, A. J. Gerritson said that he supposed \$5 would oil the Engine, but having understood during Ring and J Morrison insp.
the evening that it took \$10, he could not Middletown: J O'Donnell assr; John think of leaving it half oiled, and wished to apologize for his error and make

amends for the same as far as another \$5 would go. 🦠 REPORTER.

127 Song of Iron.

I am mighty in the saber.
Fiercely wielded by the brave.
Glorious in the stalwart steamer.
Laughing at the storm and wave.

Beauteous in the palace pillars, Saving in the pointed rod, As it brings the deadly lightning Quelled and harmless to the sod.

But there is a glorious essence,
Where I take my grandest power,
Giving to the race my surest,
Sweetest aid, in danger's hour.

See! before me fly diseaset! See the darkest hydras how! See the rose of health and beauty Take the patest check and brow.

Fly, dyspepsia! fly consumption!
Yes, all ills are crushed at length,
For I give what human nature
Only ever needed—strength!

Shall I tell in what great essence I can thus your spirits cheer up? Pallid, trembling, dying sufferer, "Tis the famed" PERCUYIAN STRUP."
