COMMITTEE. Montrose, March 31, 1868.

How Railroad President.

Hon. Asa Packer has been elected Pres ident of the Lehigh Valley Railroad Company, in place of W. W. Longstreet, resigned, and Charles Hartshorn, Vice President, in place of Judge Packer, promoted We understand that this change is received with great favor along the Lehigh.

Useful Experiments.

Dr. Burleigh, the educationist, will give a series of late experiments in Chemistry, Natural Philosophy and Gymnastic feats, at the new Court House, Montrose, on Saturday evening, April 4th. His object is to prove that Physical and Mental cul-ture should be combined. Admission, only 25 cents.

Valuable Cows.

M. C. Sutton, auctioneer, sold ten cows for E. Fargo, in Dimock, on the 18th, for \$611. Their ages ranged from 2 to 13 years, and the prices from \$44 to \$80 per head. Who does better?

Attention is invited to adv. of J. D. Barber, Esq. Insurance Agent, in this paper.

Josiah Carpenter, Produce Commission Merchant, publishes a card in this paper, to which atten-

tion of shippers and producers is directed. It is said that the radicals are quietly concentrating troops in and about Washington, without the orders of the President. If such be the case they contemplate violate revolutionary measures,

LOOM FOR FARMERS. INDUSTRY and ECONOMY—the road to wealth. The Farmer raises all the material to clothe his family. Why should he sell that material and buy it back again, paying the manufacturer a large profit and four or five additional profits. besides transportation charges, Government taxes, &c., all of which he could save, amounting to half the cost of his store goods, each year by making his own goods at home, which is now made easy by

Mendenhall's Improved Self Acting Hand Loom. mendennairs improved self Acting main about it is the most simple and reliable Loom ever invented. Will make a greater variety of goods with less power than any other loom. All the operations of weaving are performed by simply turning a crank. From 12 to 20 yards of Jeans or Satinet, and from 20 to 35 of Linsey &c., can be woven per day.

By late Improvements Rag Carpeting can be rapidly woven with the Fly shut-tle, weaving from 20 to 25 yards per day. This loom will furnish profubble employment in ev-cry neighborhood in weaving cloth and carpeting for onstomers.

For circulars, price list, and samples of cloth woven on the loom, address, with stamp,
