Combining the old revolving Take with the independent action of the teeth. — ENTIPELY SELF DISCHARGING. This Machino is manufactured by L. BEACH, one and shalf miles North of Montrose, near Mott's woolen factory, and is offered by him to the Farmers of Susquehana County as the best Hay and Grain Kake now in use. I fully guarantee this Machine to gather the hay casier, and to leave it in better shape for pitching than any other Kake in the county, or no sale. I invite every responsible farmer wishing a bay rake to come and get one, take it home and try it for two or three days, and if not satisfied to return it, and no charge will be made, naless the machine is broken. There a large muchine in operation at the factory, where each farmer can ree it tried before buying. I also warrant and guarantee that any boy iz years old, able to guide a horse, can do all the taking on a large farm just as easily and quickly as a man. By re-ferring to the above engraving, you will see that each Bake is provided with TWO FULL SETS OF TEETH, which work alternately, changing at each windrow—fars one set then the other. The teeth are so asranged that they cannot break. During the whole of last season, not a tooth was broken, while the machine was tried and boy's and man's wages. It will gather your interest. This machine will save the difference between a boy's and man's wages. It will gather your hay and grain free from dust and dirt. ## A Shocking Death.

A citizen of this place by the name of A. D. Shipman, a carpenter and joiner by trade, was missed from his accustomed place on Monday, June 8th, and on search being made for him the following Wednesday, he was found dead under the small building used as a barber shop, by John Carter. It is supposed he was laboring under an aberation of mind, and committed suicide, as the veins in one arm were severed. We deeply sympathize with his bereaved family .- Towanda Argus.

MENTAL DEPRESSION.—Mental depression is a disease of the nervous system, and, of al the ills flesh is heir to, it is the one that excites the least sympathy. It is a subject of frequent jests, and is called by various derisive terms ; but, although it is of.

ten laughed at, it is not easy to lough the patient out of faculties, often manifest symptoms of derangement, should not be disregarded, as they may, if neglected, ter minate in insanity. The seat of the disease is in the brain and nervous system, and to control the malady it is necessary to use a powerful tonic and alterative, Convention be held sometime during the which will correct and tone those organs without inyear, and that especial attention be given | faming the brain. This is the secret of the success of Hostetter's Stomach Bitters in cases of this kind, for which it is the best as well as safest of restoratives. In fact it is the only pure and reliable stimulant known. Many nostrums, purporting to be tonics, are puffed up from time to time in the newspapers, but the sufferer had better let them alone.
