Pittsburgh Correspondence.

The last of the Old Year-The changes that have transpired-The Weather-Business-The Public Schools-The Private Schools-The Pitts burgh Female Collego-Amusements, etc.

Pritsburgh, Dec. 31, 1869. The last night of the old year! The holidays are over, and the usual round of New Year's calls have been made, and New Year's salutations exchanged. What changes have taken place in one

year-a period of twelve months! The great men of the nation have been dimin ished by death; the Scientific world has been startled by new revelations; great physical changes have taken place, and the religious world has formed a closer bond of union. While science and religion have stalked hand in hand with the improvement of the nations, crime has held high carnival. The anation has been bless Beeds, Mortgages, Notes, Justices', Constables' ed with health, and the year has been one of us-School and other blanks for sale. ual prosperity, and now as we are entering upon a new year, we may hope that our course will continue, by God's blessing, upward and on-

ward. The weather is very warm and pleasantfact, springlike. The "oldest inhabitant" says that he never knew such a season. It has been favorable for the poor, and we have been enabled to supply the suffering of Southern posts with plenty of fuel, for up to the present time from the last of November, Pittsburgh has shipped over 12,000,000 of bushels of coal to the cities on the lower Mississippi.

concerns are doing but little, scarrely enough to Dispersons - Perrin Wells, John Trambull, W.L. ox. give their hands employment. We are hoping.

Transcers - B. O. Camp.
Biegard - R. Berjamin | Lathrop - Physician - Dr. J. D. Vail. | The public schools will compare to the property of the public schools will compare to the property of the public schools will compare to the property of the public schools will compare to the property of the public schools will compare to the property of the public schools will compare to the property of the public schools will compare to the public schools will be public schools will be publicated to the publicated to t the boys and girls once more will return from and studies. Our public schools are far behind those of other cities in point of excellence. Our private schools, however, cannot be excelled in any city west of New York. We have twenty two in this city and our sister city Allegheny, at the head of which stands the Pittsburgh Female College, established twenty years ago, and which is now almost a University among temale seminaries. Rev. Dr. Pershing, the Principal, is assisted by a corps of of 53 excellent and thoro' female teachers. The course of study is very comprehensive, embracing all the branches, both English and classical, that are taught in most college. The literary, music, and fine arts departments are specialties, and the instruction of these branches are the best that can be had in the Union. The College buildings are elegant St. John's Encam, ment. No 5 meets at Ood Feb., and spacious, every room being carpeted and lows Hall the 2d and 4th Friday each month Rebecca Degree Ledge, No. 7, meets at Odd Fellows finely furnished. Liberty-Dexter Stanford, Frederick Sign of the Watch. CTOVES! STOVES!

J. B. SHER-WOOD, WATCH MAKER, PUBLIC AVENUE, MONTROSE, PA.

I am prepared to do any piece of work pertaining to the ade. \$25 Work Warranted. [Jan. 1, 1870. The Age. DAILY AND WEEKLY,

FOR 1970. The only Democratic Morning Journal published in English in Phil'à.

The beginning of the New Year is a good time to subscribe for a new paper, and to subscribe for the AUE is a good beginning of the New Year. The success of any political party depeads, in a great measure, upon the character and induce of the public press, and without the thorough promulgation of its doctrines in a popular form, it cannot hope to secure be peruduent hold-upon form, it cannot hope to secure be peruduent hold-upon the thorough promulgation of its doctrines in a popular form, it cannot hope to secure be peruduent hold-upon the masses. It is a fact that the Democratic party patronizes its newspaper in a less degree than Hadicalbant of this oniseton, it is new tribules as admitted truth, and, as such, it is much to be regretted. Anxious to furnish, not only to political friends, but also to the general reader of all classes and political complexions, a first class shills and weekly lournal, the publishers of The Age now ofter once not excelled in point of execlence by any newspaper in the country, and unkested injected the initial condition, and the Rights of the Sovereign People—and it will make unceasing and unyleiding warfars upon all forms of Wrong, Abase, and Venality, that show the inselves among the people, or in the administration of the General, State, or in the administration of the G

Abuse, and Venning.

Abuse, and Venning.

Deople, or in the administration of the General, State, or Musicipal Governments.

The Editorial comments will equal those of any newspaper on either side of the Atlantic, and no labor nor expapers on either side of the Atlantic, and no labor nor expapers of tile separation making this department a great and attractive leature in the current year.

The News Department—Foreign and Dumestic—will be foll, fresh, and culted from every part of the world, all tile vast resources of the "Associated Press" in two Continents being brought into requisition, besides which Special Agents, everywhere, will, from time to time, supply its readers with prompt information upon all matters of interest transpiring in the various sections of the country.

DEALER IN

of interest transpiring in the various economy.

The financial, Commercial and Bushness interests will receive proper and constant attention: the Stock Quistantions will be carefully printed: the Market Reports will be full and complete in all their details; and all the various branches of Trade and Commerce will be thoroughty explored to furnish reliable data for the business community, and all others thereig interested.

The Home and Family Circle will not be forestien. It will be essentially a Home and Family paper, as well as a nolitical Journal. will be escentially a Home and ramity paper, as we political Journal.

The particular attention of the reading communicry where, male and female, old and young, pallitle otherwise, is directed to the great improvement have been made in the The Weekly Age. It is not fit be chargest and most attractive publications world. Each number is filled with carefully selections to the chargest may all kinds of the chargest may are distincted excites stories.

choice reason for all classess of readers. No department has been neglected, and everything has been done to give our params a full leight saled for the money axpended in subscription. These who tep the Weekly Age in its pre-ent improved saled attractive condition, will not di-without it in the future. TERMS OF THE DAILY AGE

For any period less than three months, at the rate of One Dollar per month.

SMOKING TOBACCO is an excellent article of granulated Virginja.

- Wherever introduced it is universally admired.

- It is put up in handcome muslin bags, in which orders for Meerschaum Pipes are dally packed. LORILLARD'S "YACHT CLUB" INJAIDLANDS ARWELL CHOOS

SMOBING TOBACCO has no superior; being dealeratinized, it cannot indura nerviews constitutions, or propie of sedentary habits.

—It is produced from selections of the finest stock, and prepared by a patented and original manner.

—It is very aromatic, midland light in weight—hence it will last much longer than others; nor does it burn or sting the fourgen, or leave a direct reached after faste.

—Orders for genuine, elegantly carved. Meerschaum Pipes, silver montied, and packed in neat leather pocket cases, are placed in the Yacht Cleb brand daily.

—ADDITA DIPCS (CIVENTISY)

LORILLARD'S "CENTURY" CHEWING TOBACCO.

This brand of Fine Cut Chewing Tobacco has no uperior anywhere.

—It is without doubt the best chewing tobacco in the
