TORWAY OATS FOR SALE!

The result of my experiments the last season The result of my experiments the list season with the Norway Oats have been fully up to my expectations, and I am satisfied they are well adapted to our soil, and that every farmer who possibly can should get the seed. I bought last apring of the Ramsdell agents in New York, one bushel of 39 lbs of the Norway Oats. I sowed bushel of seasons of moderning and harvest. them on one acre of good ground, and harvested from it 70 bushels of 30 lbs. per bushel, making an increase of 70 bushels from one.

I also sowed in the same lot on equally good ground, 3 bushels of 30 lbs. each of common oats on one acre, and harvested therefrom 55 bushels of 80 lbs. per bushel, an increase of 18 bushels from one. Therefore from this trial I am satisfied the same of the same of the satisfication. from one. Therefore from this trial I am satis-fied that the Norway Oats will produce twice as much as the common Oats. If any wish more confirmation, I would refer them to reports from
