Process of Canuing Eggs. -There will be services in the Universalist At a recent meeting of a farmer's club, the Church on Sunday morning next at 10 o'clock. process of "canning" eggs was explained. When the energetic labors of Wm. A. two or three dozen eggs are obtained from the Crossmon. Esq. the firemen were a short time nests, place them in a dish and pour scalding since presented with the handsome subscription water over them, and immediately turn it off. of \$342.50, as an expression by the donors of This process is repeated three times, by which the high appreciation of their valuable services means the albumen is fixed or coagulated, the the high appreciation of their vanuable services pures of the shell closed, and the egg, as it were, beretofore rendered, and also to assist them in porces of the shell closed, and the egg, as it were, desiring to teach during the summer, who have canned in its own covering. The eggs thus preward, and they are said to keep perfectly fright. for many months.

> This Festival has been observed from the very days of the Apostles, and was called in ancient times "The Queen of Feasts." The word East; ter is derived from the Anglo Saxon word "Oster"-to rise. Easter is a moveable festival, and "cal Congress again dissolves the Union. is always the first Sunday after the full moon, which happens upon or next after the twentyyear on the 17th of April.

Mr. Sutton sold nine cows at an average of The Right of Paupers to Vote. \$70.83; Mr. Phinney sold 10 cows at an average The Hon. Benjamin Harris Brewster, late Atf \$70; Mr. Gilbert sold 10 cows at an average | torney General of Pennsylvania, has given the

informs us that in October last he sold 4 cows for \$400, and they were worth the money. Mr. Griffis, is one of our thorough young farmers, who believes in keeping good stock, and getting good prices for it.

The Morning News.

We are in daily receipt of the Morning News, a new daily published in Scranton by that irrepressible N. B. Burtch, assisted by his brother.

J. H. Burtch. It is a good appearing daily, and we are bound to be lieve that the indomitation where the conjuncted felon. All are freemen now, and all are citizens of the United States, who reside permanently within the Commonwealth for one year and pay the taxes. They are amenable to the law, and being so, upon the very fundament to represent and to say who shall make the laws. It is not property nor poverty that rules here. It is the man, responsible to God and responsible to the law. To say otherwise would make poverty worse than crime. The pauper is bound by every law on the statute book and is protected by every provision of the constitution, as full man in the community."

We have heard that the bite of a cat when enraged or excited was attended with serious tended. The students acquitted themselves with results, and we have proof of this statement in Rebecta Degree Lodge, No. 7: meets at Ood Kellows are the case of Mrs. R. A. Slate, of this village, who Montrose Lodge, I. O. of G. T. meets at Good Tempyoung ladies read essays, and the young men was several weeks since bitten in the hand by a lars Hall every Monday evening. speaks original speeches. The music scholars, cat. The animal, which on ordinary occasions who, during the term, had been under the inwas quies enough, was pursued into the nouse struction of Miss M. J. Brundage did credit to by a dog. Jumping upon a hot stove she tried themselves and their teacher. The students of to scale the stove-pipe to get out of the dog's reach, but fell back into a pan of boiling water by presenting to the Principal a handsome Bi-which set on the stove.
